## Report on Interactive Board Training Programme for Teaching Staff

On January 24, 2024, a training programme was held to introduce the various teaching methods and activities of the new interactive board. The session was conducted by Trainer Vipin.

During the training, Vipin explained how to use the interactive board to enhance teaching methods and engage students with different

activities. The session provided hands-on experience, allowing the teaching staff to become familiar with the board's features and functionalities.

The training was informative and well-received, equipping the teaching staff with new skills to improve their classroom interactions and teaching effectiveness.
