

PKM COLLEGE OF EDUCATION MADAMPAM

REPORT

Organise A Training Programme for Teaching and Non-Teaching Staff on E- Grant

Organizers: IQAC and Staff Association

Time: 4:00 PM

Venue: PKM College of Education, Madampam

Introduction:

The training program on E- Grant was jointly organized by the Internal Quality Assurance Cell (IQAC) and the Staff Association at PKM College of Education, Madampam . The initiative aimed to address the significance of importance of e grant in educational institutions, with a focus on both teaching and non-teaching staff by our resource person Mr. Rajesh K. J. (LD CLERK, PKM COLLEGE OF EDUCATION MADAMPAM).

Objectives:

The primary objectives of the training program were:

- To understand the importance of e-grants for children.
- streamlining the grant application process, improving transparency, enhancing efficiency in grant management, and providing a centralized platform for communication between grantors and grantees.
- E-grants aim to reduce paperwork, increase accountability, and promote accessibility in the administration of grants through digital platforms.

Planning:

PKM College of Education decided to conduct a Training Programme for Teaching and Non-Teaching Staff on E- Grant .Mr. Rajesh.J (LD CLERK PKM COLLEGE OF EDUCATION MADAMPAM) selected as the resource person for this occasion.

Execution:

PKM college of education Madampam was conducted a Training Programme for Teaching and Non-Teaching Staff on E- Grant at 4 pm on 16 July 2018 at, general hall. Mr.Rajesh K. J. LD CLERK in PKM COLLEGE OF EDUCATION MADAMPAM lead training section. The importance of e grants in education, merits, features. things like that were discussed in the program. Rajesh. K J at last around 6 pm the session wind up.

Outcome:

The outcome of an e-grant awareness program can include increased understanding of the grant application process, higher participation rates, improved quality of applications, and enhanced transparency in the distribution of funds. Additionally, it may lead to better alignment between grant opportunities and the needs of potential applicants, fostering a more effective and equitable distribution of resources. The Training program on E grant was really helpful for both teaching and non teaching staffs.
