REPORT OF SEMESTER I

2017-2019 BATCH

**P.K.M. COLLEGE OF EDUCATION,
MADAMPAM**

DEPARTMENT OF LANGUAGE EDUCATION, ENGLISH
PKM COLLEGE OF EDUCATION, MADAMPAM
REPORT OF SEMESTER I

The classes for 2017-2019 B.Ed batch of PKM College of Education began on 21 August 2017. Various activities were organized by the Department of Language Education, English during the first semester. Instructions were provided regarding the two-year course, the curriculum, and the different activities to be undertaken along with the course. Conceptual Awareness Test on Language and Subject Competency Tests were conducted in order to assess the awareness of student- teachers in language and the subject respectively. A Learning Community for the English Teachers, named **RESPLENDOR** was formed with the objectives of learning through sharing knowledge and learning in a joyful manner. A display board, named **SPIEGEL** was introduced in the classroom to enhance the knowledge of the student teachers in English Language and Literature.

GROUP ACTIVITIES

Grammatical areas requiring additional practice were listed out and were discussed. Discussion about the basic information regarding language was conducted. Topics from the syllabus were selected and they were discussed in groups

PEDAGOGIC ANALYSIS

Syllabus Grid was prepared after conducting analyses of the SCERT English textbooks from classes one to twelve. Analyses of textbooks helped in providing an idea about the construction of English curriculum. The students also had a glance through NCERT English textbooks.

TESTS

1. Conceptual Awareness Test on Language and Learning
2. Subject Competency Test

SEMINARS

Seminars on the topics selected from the syllabus of Understanding the Discipline and Subject- English, were presented using ICT from 23 November 2017 to 28 November 2017.

Presenters --- Topics

1. **Thara Shaji** - Language: Nature, meaning and definitions, characteristics and functions, Nature and Scope of English Language, Symposia, Debates.
2. **Madhurima. E. P** - Language and Culture, Role of family and community as a resource in language acquisition, Basic Concepts: Morphology, Phonology, Syntax, Semantics, Blended Learning, E-tutoring.
3. **Manju. K. R** - First Language, Second Language and Foreign Language, English as a Second Language and Foreign Language, Problems of learning English as a second language, E- learning, Virtual learning.
4. **Ranjumol. C. T** - Difference between Oral and Written Language, Workshop and Seminar.
5. **Littymol Thomas** - Need and Significance of English language teaching and learning, Video- conferencing, Multiple level learning.
6. **Josna Joseph** - English Language in Kerala, Cooperative Learning, Collaborative learning.

LANGUAGE LAB

Periods were allotted for Language Lab and we were provided with audio lessons on Phonetics.

EXAMINATIONS

Mid- Term Examination and Model Examination were conducted.

EXTRA CLASSROOM ACTIVITIES

RESPLENDOR – The Learning Community for English Teachers.

RESPLENDOR, the learning community for English teachers was formed for enhancing the hidden talents of prospective teachers in various dimensions. The aim behind the designing of this language literary forum is to make the learning in a lively manner. Learning

through activities is the motto. Two literary meetings were conducted, and they became creative and fruitful by the unique products published during each meeting.

First meeting of RESPLENDOR

The first meeting of RESPLENDOR based on the theme "*MYTH*" was coordinated by Madhurima. E. P. The student teachers assumed different roles in the meeting. An enactment of the Snake- Ordeal scene of Girish Karnad's *Naga Mandala* was staged. The enactment was followed by a talk on "Myth in Literature" by Thara Shaji.

Second meeting of RESPLENDOR

The second meeting which was based on the theme "*TEEN LITERATURE*" was coordinated by Manju .K.R. The meeting was conducted in the manner of a teen conference named "JOVEN" which aimed to familiarize the teen literature and its significance in the teenage life. Paper presentations on various topics were the highlight of the meeting. The papers presented were "Pedagogical analysis of teen literature in high school textbooks", "Portrayal of girl in YA literature", "themes discussed in teen poetry", "Huckleberry Finn as YA novel", "Portrayal of teen in YA literature."

PUBLICATIONS

The maiden publication *FABULA*- A glossary of mythical figures was released under the editorship of Josna Joseph. The product was prepared by the student teachers.

AURORA- Anthology of Teen poems was released during the meeting under the editorship of Thara Shaji. The product was a compilation of teen poems written by the student teachers, students from nearby schools, and some teen poems by great authors.

SPIEGEL- Language and Literary Kaleidoscope

Spiegel is a display board designed to familiarize the Authors, Honors in Literature, Movements in Literature, and different Genres in Literature etc. It aimed to boost the student teachers' knowledge in English Language and Literature. Quiz related to the display items were also conducted.

1. First display on SPIEGEL

The first display on the Spiegel- Language and Literary Kaleidoscope was based on the topic "Booker Prize" and it was contributed by the student teacher Manju. K.R. It came under the main topic "Honors in Literature."

2. Second display on SPIEGEL

The student teacher Ranjumol C.T made a contribution based on the topic "International Leadership in Literature". It included the main leaders, their literary works and the works written on the basis of them by famous writers.

3. Third display on SPIEGEL

"Nobel Prize in Literature" was the topic of the third display which came under the main topic "Honors in Literature." The contribution was made by Littymol Thomas.

4. Fourth display on SPIEGEL

Remya .M. Muraleedharan made the contribution based on "Football in Literature"

5. Fifth display on SPIEGEL

The contribution was based on the 20th century poet and writer "Dylan Thomas." It included the details about Dylan Thomas, his poetry, famous quotes by him etc. It also incorporated the names of his contemporaries. The contributor was Madhurima. E.P.

6. Sixth display on SPIEGEL

"Neo- classical period" was familiarized through the sixth display of SPIEGEL. It included information about the period, the famous writers of the period, their works etc. Josna Joseph was the contributor.

7. Seventh display on SPIEGEL

"Epistolary Novel" was the topic of the display. The contributor was Thara Shaji. It incorporated the concept of Epistolary novel and the main works written in the form of Epistolary.

QUIZ PROGRAMMES

Quizzes were conducted based on the contributions made to the SPIEGEL board. They were designed to check the knowledge of student teachers about the literary information displayed on the board. It intended to increase the knowledge level of student teachers and to make them confident in facing competitive exams.

REPORT OF SEMESTER III

The Third Semester classes for 2017-2019 B. Ed batch of PKM College of Education began on 5 June 2018. The Department of Language Education, English organized demonstration and criticism classes for the student teachers before the commencement of their Internship period. Instructions were given regarding the Internship to be attended during the semester. A clear idea regarding the activities to be conducted during the period was given.

DISCUSSION LESSON PLANS

Instructions were given regarding how to prepare lesson plans. Discussions were held among the student teachers and lesson plans were prepared based on prose, poem, grammatical element, discourse etc. A lesson plan integrating grammatical element, discourse etc was also prepared. Corrections were made for the lesson plans written.

ACCLIMATIZATION

The student teachers of the Department had their acclimatization at two schools, GHSS Sreekandapuram and GHSS Nedungome from 18 June -21 June 2018. Ms. Littymol Thomas and Ranjumol.C.T attended their acclimatization at GHSS Nedungome, and Ms. Madhurima.E.P AND Ms. Manju.K.R attended their acclimatization at GHSS Sreekandapuram. The student teachers attended classes taken by their subject teachers at the schools, and they engaged in all the activities conducted at the schools. They met

their subject teachers and collected time tables and portions to be handled during their Internship period.

DEMONSTRATION CLASSES

The student teachers attended demonstration classes taken by teachers working in different schools. They attended classes taken by their subject teachers at the schools where they went for Acclimatization. On 22 June 2018, they attended a class taken by Mr. Libin, English teacher working at Sacred Heart Higher Secondary School, Payyavoor. Then they interacted with the teacher and had discussion on the classes. On 26 June 2018, they attended a class taken Ms. Riya Rose, the former student of English Optional subject of 2015-2017 batch. The class was arranged at Maryland High School, Madampam. Later they had a discussion with her from the English cum Method Lab.

CRITICISM CLASSES

The criticism classes were conducted in two phases at Maryland High School, Madampam. The student teachers selected a prose and poem each and prepared for classes to be conducted in two phases. The student teachers were allotted periods to be engaged in classes VIII and IX in the school. The first phase of criticism class was held on 26 June 2018. The teacher educator Dr. Rekha. K.R observed the classes, and in the afternoon session, evaluations were provided by the student teachers and the teacher educator at the English cum Method Lab. The second phase of criticism was held on 27 June 2018 at the same school. After that, evaluations were provided by the student teachers and the teacher educator in the afternoon session at the English cum Method Lab.

INTERNSHIP ORIENTATION

The student teachers were given instructions regarding the activities to be conducted at the schools allotted to them for Internship. The teacher educator gave instructions regarding how to written lesson plan. The student teachers were instructed to prepare

lesson plans on time and were also told to get them signed from supervising teachers every day before going to the class. Instructions were given regarding the digitalization of lesson plans which included video recording of about six classes including the Upper Primary, High School and Higher Secondary sections. Instructions were provided to write reflective journals and work diary every day.

ACTIVITIES UNDERTAKEN BY THE STUDENT TEACHERS DURING THEIR INTERNSHIP

The Internship period for Second Year B. Ed students of P.K.M. College of Education, Madampam began on 4 July 2018. The student teachers had training at both High School and Higher Secondary levels. In the beginning, they handled classes at High School from the months of July- October. In the Second phase, they dealt classes at Higher Secondary in the month of October and November. As a part of their Internship, they conducted various activities which included both academic and co-curricular activities.

GHSS SREEKANDAPURAM – SCHOOL ACTIVITIES UNDERTAKEN BY

Ms. MADHURIMA.E. P. AND Ms. MANJU. K. R.

The programmes that they worked with their training school are listed below:

- Classroom Activities
- Skill Development Package
- Enrichment Programme
- Science related activities
- Interdisciplinary Activities
- Programmes along with other Optional Subjects
- Days of observance
- School Parliamentary Election
- Arts fest
- Sports fest
- Other activities

INTERDISCIPLINARY ACTIVITIES

SCIENCE CLUB RELATED ACTIVITIES:

1. Science Club:

A science club is functioning in the school for the last few years under the leadership of Mr. Mani K (HST Biology) and Mrs. Nisha (HST Chemistry). The student teachers were asked to plan and implement innovative activities under the club. In order to understand the talents and interests of student weekly meetings were arranged, usually in Friday noon time and there they discussed the activities to be hosted in the school.

As part of the Science Club they observed several days by giving maximum importance to generate interest in Science and awareness on the wise less activities of human beings. So they celebrated the Moon day, Ozone day, Nagasaki- Hiroshima day etc.

2. Radio Mandharam:

It is an entertainment as well as academic program telecasted on every Wednesdays and Fridays. As like radio programs, songs are played, news reports are read and it also included some entertainment and informative programmes.

SPOKEN ENGLISH CLASSES

The student teachers from English optional took the charge of conducting spoken English classes for both VIII-F and IX-D students in order to develop communication skills in students. Lot of activities was conducted in the class to make the learner to speak out in English. As a part of spoken English class the students made two magazines to showcase their writing skill. The spoken English class was designed in such a manner to encourage the learner to communicate in English without any fear.

DAYS OF OBSERVANCE

- 1. Moon landing day:** National moon landing day was celebrated on 28 June 2018. A special assembly was conducted in which the importance of the day was announced. A quiz competition was conducted under the auspicious of science club. In the quiz competition held on the day, Adhisha E K and Devika Raveendran of VIII F won the first and second prizes.

The student teachers prepared a narrative story about moon landing and presented through the school radio named "Mandharam". The narrative was able to give a clear picture of moon and how difficult to reach and stay there to the learners. A class wise chart competition was conducted under the auspicious of science club. A poster was exhibited on the school notice board showing the importance of the day.

2. **Gandhi Jayanti:** A Collagemaking competition was conducted in connection with Gandhi Jayanti Observance on 1 October 2018. Various students for Standard VIII, IX and X took part in the competition. A Mega Quiz competition was also organized in connection with Gandhi Jayanti Observance on 3 October 2018 at 1:15 p.m. in the Smart Classroom. Students from Standard VIII, IX and X participated in the competition. There were three rounds- Year Round, Round-Viseshanangal, Visual Round. Ms. Riya Mary Thomas, Teacher Trainee (Social Science) was the Quiz Master.

Winners

First Prize: Students of VIII F: Adisha, Anusree, Devika

Second Prize: Students of VIII D: Roohi, Aryalakshmi.

3. **World Tourism Day:** A Tour Selphie Click Contest was conducted in connection with World Tourism Day Celebration on 27 September 2018. Another competition was also conducted for the students. It was to send a video in which they shared one of their experiences on a trip to any tourist centre. A lot of students became part of both the competitions.

4. **Hiroshima Nagasaki day:**

Hiroshima day was observed on 6th August. The student teachers trained the High school students for a flash mob to create a public attention and awareness regarding peaceful co-existence. And they also conducted elocution and quiz competitions. They planned for a mega quiz competition having interesting rounds, due to some infrastructural and administrative issues, they were not able to conduct that. A poster exhibition competition was also held as part of that. Students also prepared some slogans against war.

5. **Ozone day:**

Ozone day was celebrated in the school under the guidance of the Science club. They arranged a video exhibition for Science Club and SPC students (planned for

all but infrastructural facilities were less) regarding the necessity to protect and save ozone. Also they conducted a painting competition for students. The paintings were exhibited in front of the school office building. Devika Raveendran won the first prize. As part of the Ozone day they took a short film named 'Kuda'. High School students were the actors and actresses of the short film. They also uploaded it in YouTube. Students from the school participated in the paper presentation competition held at PKM College of Education as part of Ozone Day celebrations of the college, two teams of two students each participated and 1 team got first prize in the High School level competition.

6. **Teacher's day:** On September 5th 2018 Teacher's Day was celebrated. Special assembly was held in the school. Wished and honoured all the teachers of the school by giving flower bouquets and was given by selected students of each class. A greeting card created by students was given to the Headmaster on behalf of all the teachers. The Headmaster Ramachandran sir addressed the gathering. Staff representatives and student representatives spoke in the assembly. Teachers gave message to their students. "Star Teacher Award" was given to Mr. Rajeevan the Drawing Sir for his priceless contributions and commitment to the profession. A cake cutting ceremony was also there for the teachers of GHSS Sreekandapuram.
7. **KeralaPiravi:** The student teachers thought of doing something different on 1 November 2018. Instead of conducting usual quiz competitions they decided to conduct a 'Malayali Manka' competition. It was exclusively for the Higher Secondary students. It was not like a fashion show. The competition had 3 rounds- Introduction, logical and attitude rounds where we can test their knowledge about current affairs, public issues, and their interests and views about the future. They wore dresses according to their concept about Malayali Mankka. Among the 16 students participated, Neha Sudha of Standard XI got the title 'Malayali Mankka'.
8. **Headline Competition:** The student teachers conducted a headline writing competition after the flood related issues. The topic was flood. And they showed a picture based on flood rescue. Anamika from 9th standard got first prize. It was a

great experience for the students. Through this they aimed to develop the creativity in students.

ARTS FEST:

Due to the flood occurred in the Kerala there were no celebrations of festivals. The selection process was held in the school.

In High school the mini Arts Fest was held on 23 October 2018 and in Higher secondary it was held step by step (last periods of daily class time were allotted for the selection process) in that week itself. Interested students were called from all classes during the class time and various off stage programmes were conducted. Competitions were held in the Zoology lab, Botany lab and from the Computer lab. The student teachers acted as the Invigilators of the off stage items and even as Judges for the on stage items. They also trained the Higher Secondary students for Thiruvathira & Folk song.

SPORTS DAY:

Like the Arts Fest, Sports Fest was also limited to a half day programme. The Sports Fest of GHSS Sreekandapuram was held on 4 October 2018. The student teachers were judges, instructors and coordinators of the Sports Fest. Athletics, throws and jumps were held on that day. It was a nice experience for them as they were with the students a full day in out- door.

SENT OFF:

The four months they spent in GHSS Sreekandapuram were unforgettable. Those days gave them plenty of memories, experiences, strength and so on, as they got the chance to interact with teachers, staff and students. The teachers at the school helped them and gave proper guidance at the right time and motivated each one of them. To express the sincere gratitude of the student teachers to the school and to their teachers, they organized a tea party in the school on 8 and 9 November 2018. On 8 November, the function held at 3.30 pm from the School Staffroom and it was for the High School

teachers and staff. The School Headmaster addressed the gathering. On that occasion each and every one gathered there expressed their feelings and experiences. On 9 November, at 11.15 am at HSS hall, a tea party was organized for HSS teachers and staff. The School Principal Mrs. Lucy Eeppan addressed the gathering. Many of the teachers shared their one month experience with the student teachers. The student teachers also expressed their gratitude and affection towards the school and staff. It was the end of the practice teaching.

OTHER ACTIVITIES:

Assembly: The student teachers became part of the assembly held in the School on different days at the School ground.

PTA meeting: The student teachers got chances to participate in the P.T.A meeting held on different days to discuss the learning capacity, learning style, and ways to improve the academic status of students and schools. For each meeting they assured their presence as regular teachers. They took charge of the refreshment and served tea and snacks.

Staff meeting: For the discussion of growth of academic status of schools and students, the ways to improve the learning level of students and students there should be an open discussion between teachers. Staff meeting is the correct way to discuss such matters among teachers. Meetings were held in the School on different days.

Exam duty: The student teachers had exam duty in various days as regular teachers. It was a great experience for them to invigilate the students.

Mid- day meal distribution: The student teachers distributed mid day meal for students in all most all days. They felt great satisfaction in that activity to distribute food to them.

Due to the special condition of Kerala and the tight schedule of the school they got only limited chances to conduct programmes as they planned.

CLASSROOM ACTIVITIES UNDERTAKEN BY Ms. MADHURIMA, E. P

MEETING

A meeting was organized on 5 Oct 2019 by the students of Standard VIII F at 9:30 a.m. in their classroom. The meeting was based on the theme 'Save Nature.' They conducted the meeting assuming it as a meeting of their Nature Club. Students assumed various roles. The meeting began with a prayer by Abhinav E K. Fahmitha was the president of the meeting.
