PROGRAMME PORTFOLIO

DEPARTMENT OF MALAYALAM 2020 - 22

Report of class activities

Batch: 2020 - 2022

Semester-I

The first semester classes for two year B.Ed programme, 2020 - 2022 batch, began on 1 July 2015. In addition to the regular practices/experiences of the curriculum the following innovative practices were organized during the first semester.

1.Note making

PKM College of Education's Malayalam Department Head, Sister, led a session where Carol guided students in taking notes on the characteristics of teenagers. All the students in the class actively participated.

Objectives:

- Get to know teenage students.
- Identify psycho-physical disorders in adolescents.
- Understand their areas of operation.

- Learn about adolescent studies.
- Find out the challenges they are facing during Corona,
- The influence of society and social media on adolescents will be investigated.

Learning Outcomes :

- * Got to know teenage students.
- * Identifying how to approach them by knowing how big the challenges are.
- * It was possible to understand how they react to physical and mental difficulties.
- * Through this it was possible to understand how it is possible to intensify the activities of teenagers.

2.Athjeevanam - self - exhibition programme

PKM College of Education and six options have merged. A self-exhibition programme was organized. Presided over by College Principal Dr. Jesse N.C.

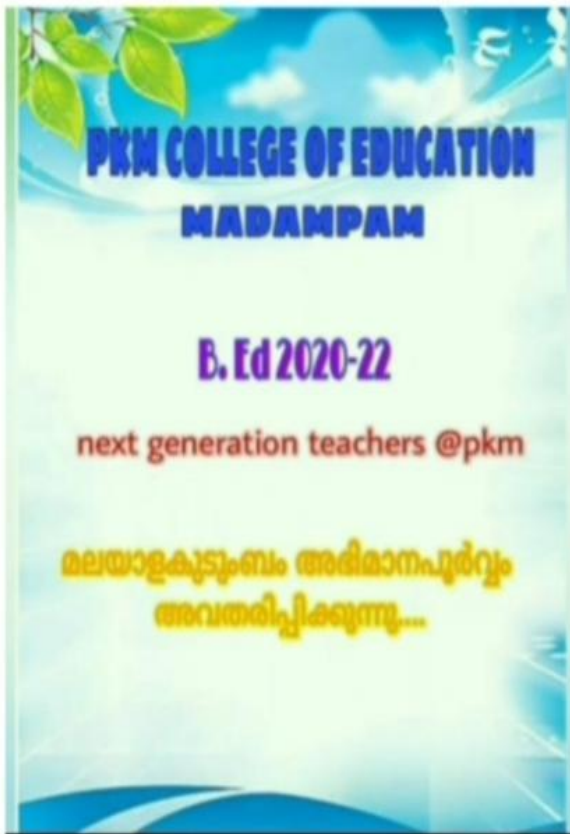

Objectives :

- Bring out the potential in students.
- Get to know each and every student in the PKM College family.
- Eliminating fear of facing public in students,
- Ensure attendance of students in any event.
- Cultivate team spirit.

Learning Achievements :

- * Students got to know each other.
- Eliminate the fear of coming forward and all the students in the programs

- It was also possible to bring active presence.
- * Performance of group and presentation.

3. Qualities of language teacher

A discussion was held on the topic of “Qualities that language teachers should possess” under the leadership of Carol, Head of Malayalam Department.

Objectives:

- Understand the qualities that language teachers should possess.
- Focus on professional and personal qualities.
- Teachers should be role models for students.
- To transform students into moral and value conscious generation

- Assess children's ability to take class.
- Know the mindset of teachers to consider all students in a class
- Encouraging blind students in learning.

5. Translation of 1st Semester Syllabus in to Malayalam:-

Kannur University B.Ed First Year 1st Semester Syllabus translated in to Malayalam. The work was done according to Sister guidelines.

Objectives :

- Know the syllabus
- Raise the importance of Malayalam language
- Make medium of instruction Malayalam.

Academic Achievements :

- Was able to dive into the syllabus and establish familiarity.
- Able to organize study schedule.

6.Today's News: Speech Reading

Reading the face of Malayalam newspapers All the eight students in the Malayalam option choose one newspaper each. Read the paper for a week and post it online.

Objectives :

- Quadruple skills are argical.
- Know face expressions.
- Identify journalism.

- Know what is happening in current situation,
- Increase knowledge.
- Elucidation of position on contemporary issues, opinion formation etc.

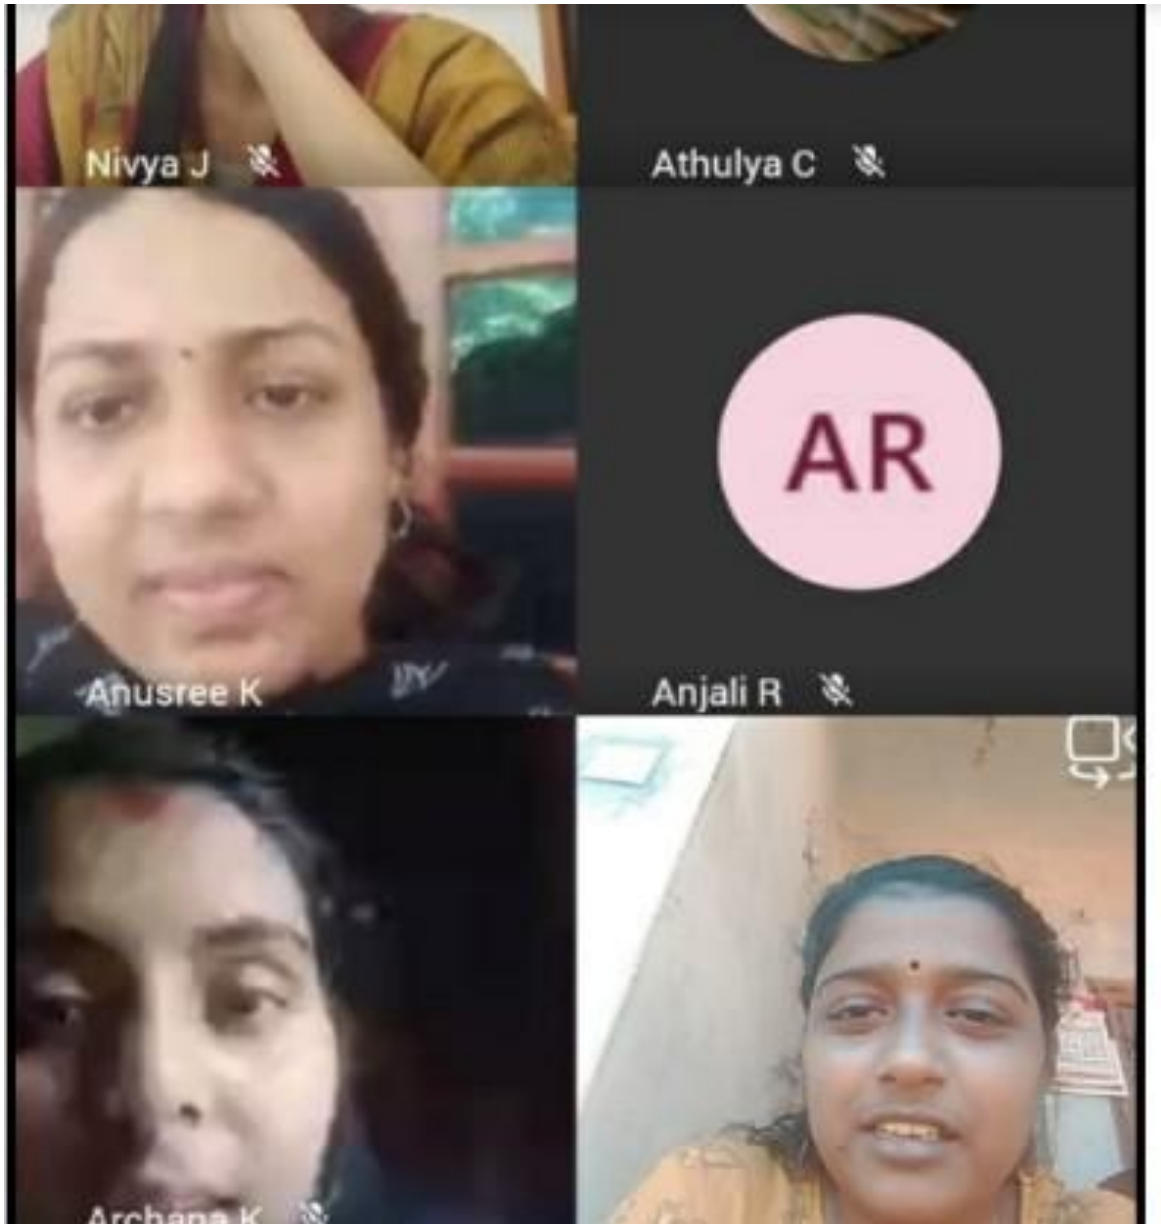

7. Mukhaprasangam

Mukhaprasangam reading is a continuation of Mukhaprasangam reading which was started under the leadership of Malayalam department head Sister Carolin. Mukhaprasangam review preparation, knowledge, nai puni and aptitude are made under three headings and about ten statements and questions are prepared in each section.

Objectives :

- Communicate the importance of reading to all
- Realizing the merits of each individual through such reading.
- Contributions received to the public.

8. Creative Activities;-

The Malayalam category is another activity that has been started with the aim of bringing out the creative activities of the students.

Objectives :

Bring out the creative activity in students.

Enhancing creative activities New contributions.

Learning outcomes :

- * It was possible to bring out and strengthen the creative potential of children.
- * The language could be improved.
- * Can contribute literary works.

9. World Mother Language Week 'Gooseberry'

The student teachers of Malayalam optional was conducted a programme on February 21 World Mother Language Day. Mother Language Week program started at PKM College of Education Auditorium. Programs were planned for all the seven days emphasizing the importance of language. The program was online.

Objectives :

- Bring the importance of mother tongue to everyone.
- The importance of mother tongue should not be limited to just one day.
- Maintain the uniqueness of the regional varieties of the Malayalam language.

Semester-2
