Debate on “ Whether Reservation is Good or Bad”

Dr. VeenaAppukuttan, Social Science teacher of PKM college, lead the debate session ‘Is Reservation Necessary?’ in the social science classroom around 01:30 pm on 11th November 2021.

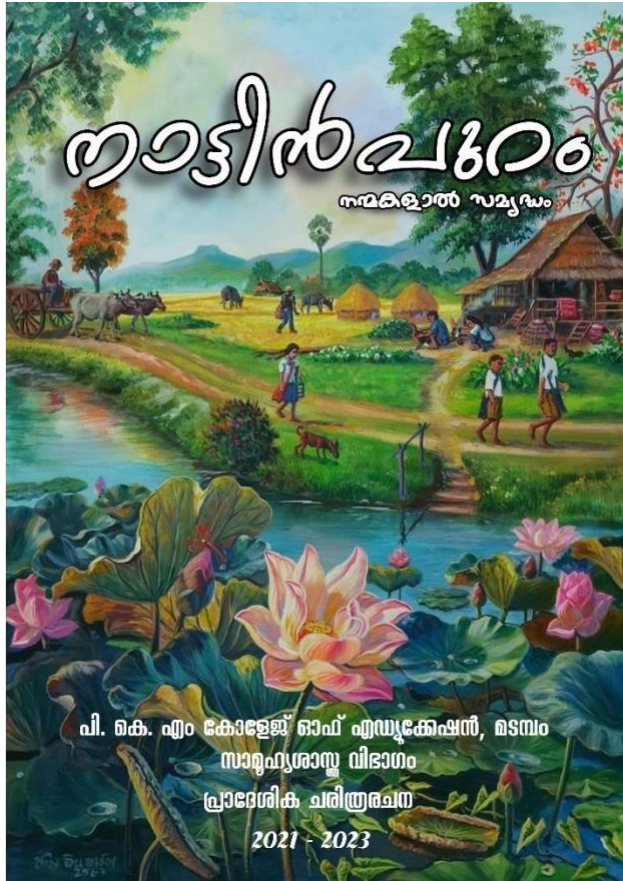

The Social Science teacher divided the class into two groups and instructed to participate in the argument. Those in favour of the topic stated that reservation is necessary to support the economically and educationally backward individuals. It is essential to financially uplift and promote education among the needy, while those opposing the motion argued that the people in dire need of financial help and education is not able to utilize its full potential as it is not reaching them. Reservation also refuse to acknowledge the hard work of those eligible and prefer someone simply in the name of caste or lack of monetary balance.

Dr. Veena pointed out how people of upper caste tag their caste name along with their names and questioned it's significance. The debate came to conclusion that reservation has both advantage and disadvantages which cannot be certificate whether it's necessary or not.
