P.K.M COLLEGE OF EDUCATION

MADAMPAM, KANNUR (DT)-670631

(An Aided College of Education affiliated to Kannur University, and managed by the Barmariam Pastoral Centre, Archeparchy of Kottayam, Sreepuram, Kannur)

PKM College of Education, Madampam, Kannur is a Christian Minority educational institution. The College was established in 1995 as a self-financing institution and was converted in to an aided college in 1997. It is affiliated to Kannur University and recognized by NCTE and UGC under 2(f) & 12(B) category. This temple of learning is dedicated to the Sacred Heart of Jesus and named after Prof. Joseph Kandoth, who was an educational visionary, social reformer and a zealous missionary. He initiated the historical migration of Knanaya Catholic Community which in turn changed the social and economic history of Malabar. P.K.M college of education is a temple of learning with difference among the scores of educational institutions in Kerala. The institution is run by the Arch Diocese of Kottayam, belonging to the Knanaya Catholic Community and has invariable relevance as a training institution moulding the prospective teachers for the community in particular and society at large. The college aims to spell out the darkness of ignorance and illiteracy and radiate the glow of enlightenment. The mission of the college is "To Nurture the Holistic Development of Prospective Teachers for a just and Humane Society."

At present H.E. Mar. Mathew Moolakkat, Arch Bishop of Kottayam Diocese is the patron and H.E. Mar. Joseph Pandarasseril, the Auxiliary Bishop is the Manager. The college is accredited by NAAC with A grade (4-point scale), in the second cycle also.

College Campus and Infrastructure.

The college has a serene environment located in the highlands of Malabar with a picturesque scenery near Thumpeny shrine on the eastern side of the Taliparamba-Irity State Highway. The College comes under the jurisdiction of Sreekandapuram Municipality area. We have an elevated campus spread over 5 acres of pollution free and natural environment.

The infrastructure of the college comprises well equipped Classrooms, Library and Laboratories like psychology lab, Language lab, Computer lab, Network resource centre etc. Auditorium, Seminar Hall, General class room, Store, Cafeteria, outdoor and indoor games facilities are also available in the college. The entire energy need of the college is met from the solar power unit.

Hostel Facilities (Visitation Convent Hostel)

We have ladies hostel run by the college with a maximum capacity of accommodating 100 students. The visitation convent hostel is near to the college campus.

1. General Information: The Bachelor of Education (B.Ed) course of Kannur university is a professional course that prepare teachers for upper primary or middle level, secondary level and senior secondary level.

2. Course Outcomes

In higher education, student performance and learning outcomes reflect what students acquire upon successfully completing a course or program. These outcomes are the intended goals of the program. Institutions make systematic efforts to monitor and communicate students' progress throughout their studies. Collecting and analyzing student feedback helps overcome obstacles in achieving the institution's vision and mission.

The Bachelor of Education program shapes efficient, professionally competent, morally upright and socially committed teachers. This programme transforms and equips student teachers with diverse teaching skills and competencies to address contemporary societal issues. The program includes core courses, pedagogic courses, electives, and EPC courses, contributing capable educators to society.

This pre-service teacher education program, the crucial early phase in developing new teachers, should provide a competency profile relevant, coherent, and of high quality. Program and course outcomes include professionally competent, reflective, and versatile teachers with social sensitivity, content knowledge, ICT skills, creativity, and diverse teaching methods.

Core courses

Core courses, including papers like Psychology of Childhood & Growing up, Contemporary India & Education, Language Across the Curriculum, and more, delve into the background for historical, philosophical, sociological, and psychological foundations of education. These courses equip students to comprehend the multifaceted aspects of education effectively.

Pedagogic courses

There are four pedagogic courses, including Understanding Discipline and Subject, Pedagogy of School Subject Part I, Assessment for Learning, and Pedagogy of School Subject Part II. These courses provide comprehensive knowledge of teaching, offering both theoretical and practical insights. Additionally, there are EPC (Enhancing Professional Competency) courses, such as Reading and Reflecting on Texts, Drama and Art in Education, Critical Understanding of ICT, and Understanding the Self. These courses help to nurture diverse skills among future educators.

Elective courses

Students select one elective from five options: Guidance and Counseling, Health and Physical Education, Peace Education, Environmental Education, or Additional Pedagogy. These electives have proven effective in shaping competent educators. Health and physical education offer theoretical and practical insights on health, yoga, and first aid, promoting overall well-being, a vital educational component.

EPC Courses:

The Enhancing Professional Competency (EPC) courses in the B.Ed program focus on honing the practical skills and competencies of future educators. These courses encompass diverse areas such as reading and teaching texts, drama and art in education, critical understanding of ICT, and self-awareness. EPC courses empower teachers with a well-rounded skill set to excel in their profession.
