"PAZHAMAYILEKU ORU THIRINJUNOTTAM"

Department of Natural science in association with World Environment Day conducted a competition for school students. The competition is to make any traditional leaf craft. Almost 24 students from different places participated in this competition. This programme helped students to understand about traditional leaf crafts like "olapeepi"," olapsambu"," olappanthu," kappamala","olawatch" etc.. This also helps to give students some knowledge about losing of these traditional crafts. Student coordinator Lumitha Bhai was the head of the programme. The video of participants is released during Environment Day celebrations of PKM College on 5th June 2021 in the online platform zoom. All the participated students are given cash prize as a token of love through google pay.

GARDEN RESTORATION COMPETITION

Department of Natural Science conducted a garden restoration competition for PKM College students in association with World Environment Day. This was conducted on based on the theme of this year environment day "RESTORING ECOSYSTEM". This programme is to send before and after restoration pictures of their garden. Student coordinator Athira Anand was the head of this programme. Many students of the college participated in this programme. This programme helped to give the importance of restoring our ecosystems and preserving plants. Saranya Lakshmanan from Physical Science department get first prize in this competition. This will be announced during valedictory function of the world environment week celebrations of PKM College conducted on 12th June 2021.

GO GREEN GET HEALTHY

For healthy life healthy food is necessary. We know that there are lots of minerals, vitamins, antioxidants are need for our growth. For this green leaves play a vital role. Since microgreen stage in plants is the correct stage of time for consuming because contained abundant of stored vitamins and minerals for the growth of an entire plant. As part of World Environment Day 2021, Mariza Markose from the department of Natural Science created a video on Microgreen Preparation and its uses. The video is uploaded in the college official YouTube channel.

Name of programme: URJA KIRAN: RALLY AND SIGNATURE CAMPAIGNS

Date:15-12-2022

UrjaKiran 2022 – 23, Energy conservation rally and signature campaign of P K M College of Education was held on 15thDecember 2022. It was a programme jointly organised by energy managementcenter, Kerala and P K M College of Education at B C M Club and library, Madampam. It was flagged off by shri Dominic P L – president of B C M Club, Madampam. Student teachers conducted a rally from regulator cum bridge Madampam town at 3 P M with their slogans and pluck cards up. The official program started at 3 .15 P M at Madampam town in the presence of members of B C M Club, student teachers and the general public. Dr. Fr. Sinoj Joseph, Assistant Professor of Physical Education welcomed the gathering with his profound words about energy conservation and its necessity. The programme was presided over by Sr. Dr.Jessy N C – Principal, P K M College of Education. She reminded the gathering about the crisis we are in it's the question of energy conservation is not answered properly the future generation will have its impacts. The signature campaign was inaugurated by Srimati. MeenaSaji, Councillor of Sreekandapuram Municipality.

She reflected upon various methods we have to adopt in our daily life to preserve and conserve energy resources. She added about the need of change that should be practised in each home. Mr Anand Ravi, resource person of EMC as well as second year B Ed student handled a detailed session on energy conservation and its relevance. The information shared was thought provoking since the statistics of energy usage by Keralites was shocking. In order to overcome this crisis, the alternative systems should be developed at the earliest. And he gave a framework
