We celebrated the following days for the remembrance

National Mathematics Day

On 20th December 2018 we celebrated National Mathematics Day with a puzzle competition to both students and teachers and a presentation on the topic "Password" by Shebin K Raju, 4th semester student in mathematics. Also we distributed the prizes to the competition winners.

Pie Day

On 13th March 2019 we celebrated PIE DAY (MARCH 14) in association with mathlovers club with a presentation on the topic "Applied math" by Shebin K Raju and we conducted a mathematicians name puzzle

MED INTERSHIP PROGRAMME

Two MED trainees Mr. Chikku Chacko and Mr. Mathukutty did their internship in our department

NATIONAL MATHEMATICS DAY PROCEEDINGS PUBLICATION

OUTREACH PROGRAMMES

4 Mathematics student teachers got an opportunity to present 2 different papers on two day National seminar 'SELF ESTEEM AND MENTAL HEALTH OF TEACHERS: PERSPECTIVES AND CONCERNS' on 13th, 15th December 2018 at Govt. Brennen College of teacher education Thulassery.

REPORT OF MATHEMATICS OPTIONAL CLASS
OF THE YEAR 2021

Report

Online class for the academic year 2020-2021 started on first June 2020. This day started with an evaluation of all activities done during April and May. Briefing of semester III was done and action plan for this semester was given.

EFFECTIVE ONLINE TEACHING IN THE COVID ERA- WEBINAR

A webinar on the topic "EFFECTIVE ONLINE TEACHING IN THE COVID ERA " was conducted on 15th July 2020 by Mathematics department of P.K.M College of Education, Kannur in association with Department of Mathematics Calicut university

ONLINE LUDO COMPETITION "LUDO STAR" Ludo Star" on 17 October 2020.

TEACHING PRACTICE

SELF EXPOSITION PROGRAMME

FIRST YEAR CLASSES

SELF EXPOSITION PROGRAMME

GEOMETRIC AND NUMBER PATTERN

During the first week of online classes, students were given the task to draw 15 geometrical patterns and write 15 number patterns.

PICTURE ALBUM

Students were given a task to create a picture album of famous mathematicians, including both Indian and non-Indian.

NATIONAL MATHEMATICS DAY

22-12-2020

Apart from the usual way, the Mathematics department of PKM College of Education observed National Mathematics Day in a different way.

SEMINAR

The classes of 1st year B.Ed. students were started on 10th December 2020 in online platform.

REPORT OF MATHEMATICS OPTIONAL CLASS OF THE YEAR 2021-2022 SECOND, THIRD & FOURTH SEMESTER REPORT

1. SECOND SEMESTER SEMINAR

The second semester started on 01/06/2021. During the first week of June, the teacher allotted topic for the seminar. The student-teachers gathered together on the online platform and took seminars on the topics assigned to them.

2. REPORT ON INTERNATIONAL WEBINAR ON RESEARCH TECHNIQUES IN STATISTICS USING ANALYTICS

Department of Mathematics, PKM College of education in association with IQAC and mathlovers club had conducted an international webinar on Research techniques in statistics using analytics as a part of national statistics day on 8 July 2021.

3. WORKSHOP ON GOOGLE FORM

Mathematics department of PKM college of education has organized an online workshop on the application of google forms for the second year mathematics students.

4. VIDEO EDITING CLASS (18/08/2021)

5. REPORT ON PRE-INTERSHIP ORIENTATION ON RECENT TRENDS IN LESSON PLAN PREPARATION, TEACHING LEARNING PROCESS AND EVALUATION IN EDUCATION

Department of mathematics PKM college of education, Madampam had conducted a preinternship orientation programme on RECENT TRENDS IN LESSON PLAN PREPARATION, TEACHING LEARNING PROCESS AND EVALUATION IN EDUCATION on 1st september 2021 at 7.00pm virtually through google meet platform.

6. K-TET QUESTION BANK PREPARATION

Second year Mathematics B Ed students prepared question bank for KTET examination with the aim that each student should qualify the examination before the end of their B Ed course.

7. MICRO TEACHING

For learning various skills in Mathematics the teacher trainees of mathematics department of PKM College took micro teaching classes under the guidance of Dr Sholy Joseph K, Head of mathematics department.

8. DEMONSTRATION CLASSES Mathematical induction The students of 2020-2022 batch observed the demonstration classes of the following teachers about the given topic.

PKM, COLLEGE OF EDUCATION
MADAMPAM
KANNUR DISTRICT
KERALA

CRITICISM CLASS As an essential part of B.Ed course criticism classes of mathematics students of 2020-22 batch was conducted from 23/09/21 to 30/09/21.

11. THIRD SEMESTER SEMINAR The third semester started on the 10th of October. The Internship Program was conducted in schools until the 31st of December.

12. SET,K-TET,C-TET Holders In preparation for the set exam, the student-teachers came together on an online platform to discuss the syllabus and previous year's question papers, and each student prepared probabilistic questions on each subject.

FIRST SEMESTER REPORT

13. Geometrical pattern & Number pattern Every Student Teachers submitted an assignment consisting of 15 geometric patterns and 15 number patterns.

14. Contributions of Mathematicians Every Student Teachers submitted an assignment consisting of 15 Mathematicians and their contributions.

15. FIRST SEMESTER SEMINAR

16. FIBONACCI DAY CELEBRATION

17. NATIONAL MATHEMATICS DAY CELEBRATION

18. NATIONAL 'e' DAY & G.H.HARDY'S DAY

19. Daniel Bernoulli's Birthday: Quiz Competition Mathematics optional of P.K.M College of Education 20. Alfred North Whitehead's Birthday and Ronald Fisher's Birthday: Quiz Competition Mathematics optional of P.K.M College of Education, Madampam celebrated birthday of Alfred North Whitehead and Ronald Fisher on 24th February 2022 Madampam celebrated Daniel Bernoulli's Birthday on 9th February 2022

21. Magazine Releasing Ceremony 16-02-2022 The meeting was held at PKM college Auditorium on 2022 February 16 at 9:30 a.m. Sanjiya Benny welcomed the gathering.

22. Pi day Celebration

23. Matricks-Tricks For Mathematics

REPORT 1

The Self Exposition Program presented by 1st year B. Ed SOCIAL SCIENCE students (2022-23) named "VOYAGYENE EXPRESS" was held on 13th October 2022 in 3.45 pm at PKM COLLEGE OF EDUCATION , MADAMPAM . The main Aim of this program conducted by our

PRINCIPAL
PKM COLLEGE OF EDUCATION
KATHAMPAK P. O., MADAMPAM
SREEKANGAPURAM, KANNUR DT., 670031

college is to promote teacher trainees (students) abilities , reduce stage fear , giving an opportunity for performing stage programs and also promote cooperation or unity among students in classrooms.

Our Program begins with a brief introduction about Life is like a journey on a train, it was said like this Our life is constant journey,from birth to death ,Some people will sit next to you ,Some will just stand around , oblivious to your existence Some will have to leave the train while you are having the great conversation and who knows when you will see them again, And if you are lucky there will be those who will sit and talk to you throughout the whole journey. After that our program going based on our script we prepare for playing. Adithya RaJ.T.K , Anagha .K , Anju

.V, Aparna Pradeep .P.V, Nirmal John , Sreethu.M ,Tincy Thomas and Vrindha M.O we all are passengers in the train to going different places for various purposes. In this train journey some memories like, Sreethu sung a song and also she tried to solve Rubik's cube, Aparna is going for attending bank exams she ask some questions based on recent Economics noble prize winners , Vrindha ask some memory based tricky questions as a part of a small gaming Anagha's character is a tea seller, Anju's character is a TTR , Adithya is a history scholar going for watching folklore Academy at Trivandrum ,Tincy is the Sreethu's best friend going with her and she reply some of the Tricky question's answer, and Nirmal's entry is like a Toddy Tenant.Then we sung a group folk song (palapalli thirupal,THANATH),then we finally take a selfie to remember that journey.And at last Adithya perform a Monoact , she play three characters at a time based on the theme (The Poem Kollendathengane written by Sukadhakumari). Then we end our programme with a group dance.

At the end of this self exposition program present by Team Social Science Mrs.Dr.Shally Joseph gave feedback about our overall performance. The program ended at 4.30 with the National Anthem. These are our Self exposition VOYAGAYENE EXPRESS some of the Performances stills.

"Current Affairs and controversial issues in social science" titled seminar presented by Adithya Raj T.K . Current affairs and controversial issues are very important components . Current Affairs promotes interest in the issues of the country. It lets analyze and evaluate events critically. It gives opportunity to learner to connect learning outside of the school. Discussing controversial issues helps students with different backgrounds and lifestyles to learn to live and work together peacefully and respectfully. It encourages them to listen to each other and talk through their differences sensitively.

In the seminar based on the topic of "Social Science Library and Text-Book" presented by Anaghak first year Social Science Student teacher, it was mainly about the definition of the Social Science library and the objectives of building social science library and important library resources.

A textbook is a specially written book which contains selective and systematic knowledge regarding the curriculum material prescribed. The qualities of a good social Science textbook and their functions are mentioned in this seminar.

School Acclimatisation -Report

Individual Responses of Social Science Student Teachers

Vrinda.MO- Mattannur Higher Secondary School is an aided higher secondary school established in 1952 in Mattannur town of Kannur district. As a part of school acclimatization, Vrinda, a student of social science option, went to MO school. 2850 students are led by the headmistress, teacher MAM Sujatha.103 teachers are working there. Five days of school acclimatization was successfully completed by observing the behavior patterns and characteristics of the adolescent children, distribution of lunches, environment monitoring, interacting with the children and asking the teachers about their experiences.

Anagha.KC- Mattannur Higher Secondary School is an aided higher secondary school established in 1952 in Mattannur town of Kannur district. As part of school acclimatization, Anagha K, a student teacher with social science option, went to school. 2850 students are led by the headmistress, teacher MAM Sujatha.103 teachers are working there. Five days of school acclimatization was successfully completed by observing the behavior patterns and characteristics of the adolescent children, distribution of lunches, environment monitoring and interacting with the children by asking the teachers about their experiences.

Adithya Raj TK-GHSS Mankada Pallipuram, a school established in 1974 in Mankada Pallipuram area under Mankada block panchayat of Malappuram district, was able to become a part of the school for five days as part of school acclimatization. Under the leadership of the head teacher Maimuna teacher and with the help of other teachers, there were opportunities to observe the classes, interact with the children, take them in a fun way, be a part of the learning of learning disabled children, understand and observe many things including exam duty.

Nirmal John- Sebastian's Higher Secondary School selected for acclimatization. It was understood that a teacher should approach the class and the children. The main teacher of the school is Kutiyamma teacher. It was possible to observe the school environment, the teaching and learning process and the behavior of the students.

Tincy Thomas-Established in 1926, St. George Vocational Higher Secondary School is one of the schools located in the village of Kalpuzha. This school was restored in 2009. As part of school acclimatization from 30/01/2023 to 03/02/2023 P.K.M Tinsle Thomas, a student teacher in the College of Education, went to this school. Five days were spent there to observe the school environment, student behavior and school dynamics. This school acclimatization made it possible to understand all the activities of the school and the changes in the attitude of the students towards the teachers. Successfully completed five days there.

PRINCIPAL
P.K.M. COLLEGE OF EDUCATION
KATTAPPURAM, P. O., MALAPPURAM
DISTRICT, KERALA - 676321

Amal Tomy:-Sacred Heart Higher Secondary School Patyavur was selected for school acclimatization. The head teacher of the school is Biju Simon. A teacher was able to understand the work in non-academic arenas. It was possible to observe the behavior of the students.

Anju.V:-Kannadiparamba Govt Higher Secondary School selected for acclimatization. It was understood that a teacher should approach the class and the children. The head teacher of the school is Master Muralidharan. It was possible to observe the school environment, the teaching learning process and the behavior of the students.

Aparna Pradeep P.V :-As part of my B Ed 2nd semester school Acclimatization , on the first day 30/01/2023 Monday I reached SN TRUST HSS Thottada Kannur by 9:10 am then met headmaster Reena . T and handed over the permission letter. From this day onwards I am so proud to be myself, because my childhood onwards I like the teaching profession and call me as a Aparna miss or Aparna teacher . 30/01/2023 to 03/02/2023 Friday I feel I am a real teacher of my school. My teachers all are happy to see me as a B-Ed training student. This was a new experience for me. From these 5 days I can learn so many things from teachers and through my observations. The duties of a teacher extend much further beyond standing at the front of a classroom and delivering lessons. Behind the scenes, a lot of work goes into planning and preparing for lessons and providing additional support for students. A good teacher may also make a positive impact on students, often becoming a source of inspiration and motivation. I completed my last 5 days of school acclimatization from SN TRUST HSS THOTTADA KANNUR on 03/02/2023 Friday very happily. This days was very fruitful and informative for me.

Sreethu.M:-Kannadiparamba Govt Higher Secondary School was selected for acclimatization. The head teacher of the school is Master Muralidharan. In five days, we were able to understand the infrastructure and surrounding teaching learning process and the infrastructure and surrounding teaching learning process. Adolescents were also able to observe children's behavior. It was a great experience.

MICRO TEACHING REPORT

Skill Of Introducing a Lesson

P. K. M. College of education Madampam, Department of social science (2022-24 Batch) organized Micro teaching presentation. Core teaching skills divided among students and I chooses skill of introducing a lesson.

I presented on 15 th March 2023 in the topic 'Harappan civilization' from 8 th std. Main objective of my teaching is to introduce the Harappan civilization in front of students through a story. My class duration is 5 Minutes. I used the skill component of gaining attention through voice, eye contact, and communication. Students are very active and co-operative in classroom. After the class, there is a feedback session . Dr. Veena Appukuttan managed the session and shared the feedback, after that all of my classmates shared their opinions. The session come to an end with an experience sharing by me. The first experience was good and the feedbacks are very useful for my improvement.

National Reading Day Celebration Report

The purpose of celebrating National Reading Day is to spread awareness to the people about the importance of reading & promote a culture of reading among people and encourage literary reflection on school children, youth.

On the occasion of June 19 National Reading Day, PKM College Social Science Department celebrated Reading Day from June 20th to June 23rd. On June 20/06/2023, Dr. Veena Appukuttan (Associate Professor Department of Social Science) delivered the welcome address of the reading week. Aparna Pradeep presented a review of the economic book 'Serious Money

-Walking Plutocratic London'. Then Vrinda M. O. review of the economics book 'Introductory micro economics: c. B. Sachdeva' was presented. On June 22, sreethu presented a review of the history book 'Keralacharitam'. Then Adithya raj a review of the history book 'mannancheryuday Innalakal' was presented. On June 23, Amal tomy presented a review of the philosophy book 'Nicomachean Ethics'. This reading day was very effective in all student teachers. It was possible to learn about new books through this reading week. This reading week which started from 20th June to 23rd ended on a good note.

Remember, National Reading Day is not limited to a single day but can extend to an entire week or month of reading-focused celebrations. The key is to create an inclusive and engaging atmosphere that encourages individuals to discover the joy and benefits of reading.

NEWSPAPER MAKING COMPETITION

As part of second phase activities of “Yodhav “ drug free campaign ,PKM College of Education , Madampam conducted newspaper making activity among student teachers on Friday 16/12/22 to spread anti- drug campaign message.. Dr . Sr. Jessie .N.C took the initiative to inaugurate this program and the program began from 9:30 am onwards under the guidance of Dr. Rekha , Assistant Professor of English ,PKM College of Education .The five different groups made newspapers based on drugs and turned out to be a visual feast with a strong anti drug message as the teacher students pointed out their ideas and imaginations related to anti- drug use on chart papers. In this ways , five newspapers were born that gave the anti -drug message through rich words and beautiful pictures. When the entire college students joined together in this program ,it emphasise a good message.

YOGA WORKSHOP

As part of increasing the spread of the second phase of Azadi Ka Amrit Mahotsav, P.K.M. College of Education Madambam organized a workshop on Thursday 9th February 2023 titled 'Yoga & Healthy Food Habits – A Way of Life'. The official ceremony started at 9:30 am with a divine prayer by second year teacher student Jwala Maria Syriac. Student Coordinator Chaitanya C. K welcomed the gathering. College Principal Dr. Sister Jessie N. C. presided over the function. Program Coordinator and Head of Physical Education Department Dr. Father Sinoj Joseph delivered the felicitation address. Anusha V., a first year teacher student delivered the vote of thanks. Consultant Yoga & Counseling Psychologist and Professor of the M.G University Dr. Padmanabhan T. V. handled the workshop. The workshop was conducted in two sessions. In the first session he interacted with the students about principles of yoga, importance of yoga, diet and lifestyle. Then some basic techniques of yoga were taught by Padmanabhan Sir with a demonstration by second year teaching

student Vysakh T. Everyone practiced it.

FILM SCREENING ON TRIBAL EMPOWERMENT AT WAYANAD

To increase the outreach of the second phase of Azadi Ka Amrit Mahotsav, as per the instructions of NCTE and the Ministry of Education, PKM College of Education Madambam visited tribal colonies of 'Paniyas' in Wayanad Konniyot, Mundakutty, Vaitthiri and Kanjirangad on 3rd and 4th March 2023 and screened a film for the empowerment of tribal people. The program was inaugurated by Dr. Prasanth Mathew (Vice Principal, PKM College of Education). With the help of the local residents, around 65 people from 25 houses in 'Oor' were organized to conduct the program and we were able to learn about the tribal people's living conditions, working methods (household work, outside jobs), children's educational conditions, clan work, clothing methods, food methods, accommodation and we could also interact with them. A 5-member student delegation of Azadi Ka Amrit Mahotsav, led by Program coordinator Dr. Father Sinoj Joseph, worked as part of the programme. Empowerment and upliftment of all sections and fulfilling their basic needs is very important for India to become a developed country in 2047. Programme was organized keeping in mind the said objectives.

Social Projects on Challenges of Humanity and Environment

Introducing projects by Athira V.K

Social Project Summary

Green Gold of India; Problems and Measures

AKHILA P.V

The study Green Gold of India; Problems and Measures shows the present condition of our Western Ghats. The Western Ghats are internationally recognized as a region of immense global importance for the conservation of biological diversity, besides containing areas of high geological, cultural and aesthetic values. The study tries to find out the significance, problems of Western Ghats, efforts of Madhav Gadgil to protect the Western Ghats and the causes of flood in Kerala. Data required for this study were obtained from online sources and newspapers. Nowadays Western Ghats moved to dangerous situation. This was mainly due to manmade activities. Flood in Kerala was mainly due to the damage of Western Ghats some measures like awareness campaign about the protection of Western Ghats. Controlling quarrying and mining, prevention of deforestation and promotion of organic farming help to prevent the problems of Western hats.

Kashmir- History and Facts

ANJU A

This study is an attempt to trace out the Kashmir issue. Article 370 of the Indian constitution gave special status to Jammu and Kashmir- a region located in the northern part of Indian subcontinent which was administered by India as a state from 1954 to 31st October 2019.

[Handwritten signature and date]
23-10-2019

and a part of the larger region of Kashmir, which has been the subject of dispute between India, Pakistan, and China since 1947 conferring it with the power to have a separate constitution, a state flag and autonomy over the internal administration of the state. The study also includes the various problems of Kashmir people.

The Earth; Problems and Solutions

ATHIRA V.K

The project Earth; Problems and Solutions clearly describes the problems of Earth. And suggest some measures to overcome such problems. It's main objective is to identify solutions for earth problems. Urban sprawl, over population, loss of biodiversity, waste disposal, water pollution, deforestation, were the main problems faced by our planet Earth. These problems are highly affected our planet and also the human beings. This project concludes with a message about the importance of protecting our planet.

When the Amazon Rainforest Burns...

MEGANA K.K

This study shows the present condition of Amazon Rainforest. It is known as the lungs of earth. It studies all about the Amazon Rainforest. This study aims to know the importance of Amazon rainforest, to know the causes behind the burning of Amazon rainforest. The data required for the project is obtained from the news papers and online sources. This was a current issue. There are some political interests behind this issue. Influence of man was the major reason for Amazon tragedy. The only way to protect Amazon rain forest is to prevent the exploitation of forest.

Local History of Chokli

SANOOJA P.P

This study explores the local history of Chokli. Chokli was the area situated in the Kannur district as the part of the Thalassery taluk. Kannur was popularly known as the land of looms and lore's. Here is the place of fabulous and wondering stories related to the historical diversity. Chokli was the village of great preceptors. Oorcheri family are the great preceptors. Dr. Hermann Gundert are the missionary man who under the guidance led by Oorcheri family. And also, the great Malayalam- English dictionary are the companion work of the Oorcheri

family and Gundert. The political movement is more popularized and cherished the locality of Chokli. Freedom fighter Moyyath Sankaran, Appukuttan Nair, Maliyil Devaki Amma are the one of the prominent freedom fighters of Chokli. This project illustrates the cultural and social significance of the local history.

Kerala Flood 2018-19

TOMSON SABU

Beginning of August 15th 2018, severe floods are affected in Kerala, due to high rainfall during the monsoon season. It was the worst flooding in Kerala. Over 483 people died and 15 were missing. All 14 districts were placed on red alert. Kerala received monsoon rainfall which was about 256% more than the usual rainfall in Kerala. Almost 370 people died and 33000 peoples were rescued. Over 3274 relief camps were opened in various locations to provide shelter to those who were affected by flood. There were 40 helicopters, 30 aircraft and 182 teams for rescue. A total of 4537 from the fisherman took part in the rescue operation with 669 fishing boat. The government should take necessary steps to solve the problem of flood and find solutions to overcome them. This project clearly describes Kerala Flood 2019 and it's aftermaths.

Quiz Competition on Indian Constitution and Republic

On 24/01/2020 Social Science Department conducted a Quiz competition based on the topic "**Indian Constitution and Republic**" which was held in the general classroom of P.K.M College of Education. The quiz competition consists of five rounds. That was a house wise competition. Total four teams with three members each participated. The first round was presented by Sanooja P.P which was based on Personalities related with Indian Freedom struggle. Second round was presented by Athira V.K based on Years related with Indian freedom struggle and Constitution. Third round by Akhila P.V related to Articles of Indian Constitution. Fourth round is visual round. This was led by Tomson Sabu. And the fifth round was led by Anju A and Megana K.K. This was rapid fire round. Tigris house secured first position. Nile got second prize.

Organised a Webinar on Constituent Assembly Debates and making of Indian Constitution

Objectives

PRINCIPAL
PKM COLLEGE OF EDUCATION
KATTAPPANA, TALIPARAMBA
SRIKALSHAPURAM, DISTRICT KERALA

The Constituent Assembly debates provide a good insight into the thinking behind the making of our Constitution.

Constituent Assembly Debates (CADs) refer to the debates and discussions that the Constituent Assembly members had in the process of drafting a constitution for free India. These are important sources of material for they give an insight into the mind of the constitution-makers.

PKM college of Education has organized a webinar for constitution day observance on the topic constituent assembly debates and making of Indian constitution on wednesday 2 nd December at 3 pm. The webinar was jointly organized by college IQAC and Electoral Literacy Club .staff coordinator Dr.Veena Appukuttan welcomed all to the Programme. The webinar was inaugurated by Dr.Anu Unny , Assistant professor Department of political science University of kerala . She presented the topic in an authentic , very simple and attractive way.After that participants clarified their doubts regarding the topic.student co ordinator Ms.Sanooja expressed vote of thanks.Its a very informative session to all.

Organised a Webinar – Intellectual Property Rights

P K M College of Education organized a webinar on "IPR and the Academic Community : Challenges and Opportunities on 27-01-2021 at 11 am in Zoom platform. The webinar was organized in association with Social Science Department, Debate club and IQAC.Dr.Veena Appukuttan staff Co-ordinator welcomed all to the webinar was inaugurated by Vice Principal Dr.Prasanth Mathew. Athira Shaji, the student representative introduced the resource person Dr.G.Geethika, Assistant Professor Department of Political Science, Union Christian College, Aluva. Her presentation about basic facts of IPR was very creative and thoughtful provoking. After that the interactive session was very and she cleared all the doubts raised by the students At the end student co-ordinator Mr.Vishnu Prathap M expressed vote of thanks.

- **Online classes**

Conducted online classes for third semester social science paper Pedagogy of the school subject part ii

Student teachers watched Demonstration classes from Victors Channel and prepared lesson plans based on it. Shared the experiences of demonstration classes in live interactions.

As a practice for criticism classes they are asked to take a video of 5 minutes and send to class watsaap groups .Both Teacher educators and peer group members critically evaluated their classes.

PRINCIPAL
P.K.M. COLLEGE OF EDUCATION
KATTAPPANA, P.O. KULIYANGALAM
SREEKANDAPURAM, KANNUR DIST., KERALA

Conducted classes for fourth semester and first semester through Teams App.

- **Online Internship**

As giving a practice for online teaching student teachers are sent to different schools for internship in online mode. Accordingly 6 student teachers of social science department were sent to schools of their choice. Online internship was started on 13-07-2020. They spent two months for online teaching practice. It was really a nice experience for them.

In house Capacity Enhancement Workshop

PKM college of Education organised a 5 day In House Capacity Enhancement workshop on NAAC SSR preparation from 03-08-2020 to 10-08-2020. Principal Dr Jessy N C inaugurated the 5 day workshop on 03-08-2020 and presented an orientation of the SSR. On 04-08-2020, day 2 of the workshop Dr.Veena Appukuttan presented criterion II and lead the discussion on it. On day 3, 05-08-2020 Sri. John P T & Dr. Sholy Joseph K presented Criterion IV & V and made clarifications on the respective criterion. On 06-08-2020 Mrs Jomol Jose and Dr. Sinoj Joseph presented criterion VI & VII. On the last day of the workshop Dr Maya J Pillai & Dr.Veena Appukuttan presented criterion I & III respectively. After that Dr.Veena Appukuttan presented the concluding report considering the different aspects of SSR. Strength and weakness of our academic activities are analysed and decided to plan more quality programs during this academic period.

PROGRAMME REPORT ON DEBATE ON "IS THE CONSTITUTION PROTECTS OUR
HUMAN RIGHTS?"

2021-23

In accordance of Social science optional and IQAC and Debate club of PKM college, a debate was conducted on the topic " Is the Constitution protects our human rights?". The programme was held at the college auditorium on 10/12/2021. By 2.30,the programme was started with a welcome speech by Indukumari . There after certain rules and instructions about the debate was given by Dr. VeenaAppukkuttan, Head of Social Science optional. Malayalam optional teacher student Alex became the moderator of the programme. The programme was started with two groups which contains 6 participants each. The first group favoured the idea that our Constitution protects our human rights. The second group favoured the view that our Constitution does not protects our human rights. Both team strengthened the debate by arguing their own views and opinion regarding their topic. The final conclusion of the debate is that our Constitution always protects our human rights, So we have to change our attitude towards Constitution.

KAYTHAKKAL, MADAMPAM
SREEKANTHAPURAM, KERALA

The program was started at 9.30 am with College prayer and thought of the day. Prajina Das K.P, Department of Social Science delivered welcome Speech and she shared some ideas related with Constitution. The awareness talk on Indian Constitution was given by Jomal Joy, Department of Social Science.

The session was highly interesting and he highlighted the importance of Constitution and provide the basic information related with Constitution day.

The session was concluded with Vote of thanks by Hitha.K, Department of Social Science.

Debate on “ Whether Reservation is Good or Bad”

Dr. VeenaAppukkuttan, Social Science teacher of PKM college, lead the debate session ‘Is Reservation Necessary?’ in the social science classroom around 01:30 pm on 11th November 2021.

PRINCIPAL
P.K.M. COLLEGE OF EDUCATION
MADAMPAM, P.O. 670031
MADAMPAM, MADURAI DT, 670031

The Social Science teacher divided the class into two groups and instructed to participate in the argument. Those in favour of the topic stated that reservation is necessary to support the economically and educationally backward individuals. It is essential to financially uplift and promote education among the needy, while those opposing the motion argued that the people in dire need of financial help and education is not able to utilize its full potential as it is not reaching them. Reservation also refuse to acknowledge the hard work of those eligible and prefer someone simply in the name of caste or lack of monetary balance.

Dr. Veena pointed out how people of upper caste tag their caste name along with their names and questioned it's significance. The debate came to conclusion that reservation has both advantage and disadvantages which cannot be certificate whether it's necessary or not.

The Self Exposition Program presented by 1st year B. Ed SOCIAL SCIENCE students (2022-23) named "VOYAGYENE EXPRESS" was held on 13th October 2022 in 3-45 pm at P.K.M COLLEGE OF EDUCATION , MADAMPAM . The main Aim of this program conducted by our

P.K.M. COLLEGE OF EDUCATION
MADAMPAM

college is to promote teacher trainees (students) abilities , reduce stage fear , giving an opportunity for performing stage programs and also promote cooperation or unity among students in classrooms.

Our Program begins with a brief introduction about Life is like a journey on a train, it was said like this Our life is constant journey,from birth to death ,Some people will sit next to you ,Some will just stand around , oblivious to your existence Some will have to leave the train while you are having the great conversation and who knows when you will see them again, And if you are lucky there will be those who will sit and talk to you throughout the whole journey. After that our program going based on our script we prepare for playing. Adithya Raj.T.K , Anagha .K , Anju

.V. Aparna Pradeep .P.V, Nirmal John , Sreethu.M ,Tincy Thomas and Vrindha M.O we all are passengers in the train to going different places for various purposes. In this train journey some memories like, Sreethu sung a song and also she tried to solve Rubik's cube, Aparna is going for attending bank exams she ask some questions based on recent Economics noble prize winners , Vrindha ask some memory based tricky questions as a part of a small gaming. Anagha's character is a tea seller, Anju's character is a TTR , Adithya is a history scholar going for watching folklore Academy at Trivandrum ,Tincy is the Sreethu's best friend going with her and she reply some of the Tricky question's answer, and Nirmal's entry is like a Toddy Tenant.Then we sung a group folk song (palapalli thirupall,THANATH),then we finally take a selfie to remember that journey.And at last Adithya perform a Monoact , she play three characters at a time based on the theme (The Poem Kollendathengane written by Sukadhakumari). Then we end our prgramme with a group dance.

At the end of this self exposition program present by Team Social Science Mrs.Dr.Sholly Joseph gave feedback about our overall performance. The program ended at 4.30 with the National Anthem. These are our Self exposition VOYAGAYENE EXPRESS some of the Performances stills.

"Current Affairs and controversial issues in social science" titled seminar presented by Adithya Raj T.K . Current affairs and controversial issues are very important components . Current Affairs promotes interest in the issues of the country. It lets analyze and evaluate events critically. It gives opportunity to learner to connect learning outside of the school. Discussing controversial issues helps students with different backgrounds and lifestyles to learn to live and work together peacefully and respectfully. It encourages them to listen to each other and talk through their differences sensitively.

In the seminar based on the topic of "Social Science Library and Text-Book" presented by Anaghak first year Social Science Student teacher, It was mainly about the definition of the Social Science library and the objectives of building social science library and important library resources.

A textbook is a specially written book which contains selective and systematic knowledge regarding the curriculum material prescribed. The qualities of a good social Science textbook and their functions are mentioned in this seminar.

School Acclimatisation -Report

Individual Responses of Social Science Student Teachers

Vrinda.MO- Mattannur Higher Secondary School is an aided higher secondary school established in 1952 in Mattannur town of Kannur district. As a part of school acclimatization, Vrinda, a student of social science option, went to MO school. 2850 students are led by the headmistress, teacher MM Sujatha. 103 teachers are working there. Five days of school acclimatization was successfully completed by observing the behavior patterns and characteristics of the adolescent children, distribution of lunches, environment monitoring, interacting with the children and asking the teachers about their experiences.

Anagha.K- Mattannur Higher Secondary School is an aided higher secondary school established in 1952 in Mattannur town of Kannur district. As part of school acclimatization, Anagha K, a student teacher with social science option, went to school. 2850 students are led by the headmistress, teacher MM Sujatha. 103 teachers are working there. Five days of school acclimatization was successfully completed by observing the behavior patterns and characteristics of the adolescent children, distribution of lunches, environment monitoring and interacting with the children by asking the teachers about their experiences.

Adithya Raj TK- GHSS Mankada Pallipuram, a school established in 1974 in Mankada Pallipuram area under Mankada block panchayat of Malappuram district, was able to become a part of the school for five days as part of school acclimatization. Under the leadership of the head teacher Maimuna teacher and with the help of other teachers, there were opportunities to observe the classes, interact with the children, take them in a fun way, be a part of the learning of learning disabled children, understand and observe many things including exam duty.

Nirmal John- Sebastian's Higher Secondary School selected for acclimatization. It was understood that a teacher should approach the class and the children. The main teacher of the school is Kutiyamma teacher. It was possible to observe the school environment, the teaching and learning process and the behavior of the students.

Tincy Thomas- Established in 1926, St. George Vocational Higher Secondary School is one of the schools located in the village of Kalpuzha. This school was restored in 2009. As part of school acclimatization from 30/01/2023 to 03/02/2023 PKM. Tinsie Thomas, a student teacher in the College of Education, went to this school. Five days were spent there to observe the school environment, student behavior and school dynamics. This school acclimatization made it possible to understand all the activities of the school and the changes in the attitude of the students towards the teachers. Successfully completed five days there.

Anal Tomy:-Sacred Heart Higher Secondary School Palayavur was selected for school acclimatization. The head teacher of the school is Biju Simon. A teacher was able to understand the work in non-academic arenas. It was possible to observe the behavior of the students.

Anju V:-Kannadiparamba Govt Higher Secondary School selected for acclimatization. It was understood that a teacher should approach the class and the children. The head teacher of the school is Master Muralidharan. It was possible to observe the school environment, the teaching learning process and the behavior of the students.

Aparna Pradeep P.V :-As part of my B Ed 2nd semester school Acclimatization , on the first day 30/01/2023 Monday I reached SN TRUST HSS Thottada Kannur by 9.10 am then met headmaster Reena . T and handed over the permission letter. From this day onwards I am so proud to be myself, because my childhood onwards I like the teaching profession and call me as a Aparna miss or Aparna teacher . 30/01/2023 to 03/02/2023 Friday I feel I am a real teacher of my school. My teachers all are happy to see me as a B-Ed training student. This was a new experience for me. From these 5 days I can learn so many things from teachers and through my observations. The duties of a teacher extend much further beyond standing at the front of a classroom and delivering lessons. Behind the scenes, a lot of work goes into planning and preparing for lessons and providing additional support for students. A good teacher may also make a positive impact on students, often becoming a source of inspiration and motivation. I completed my last 5 days of school acclimatization from SN TRUST HSS THOTTADA KANNUR on 03/02/2023 Friday very happily. This days was very fruitful and informative for me.

Sreethu M:-Kannadiparamba Govt Higher Secondary School was selected for acclimatization. The head teacher of the school is Master Muralidharan. In five days, we were able to understand the infrastructure and surrounding teaching learning process and the infrastructure and surrounding teaching learning process. Adolescents were also able to observe children's behavior. It was a great experience.

MICRO TEACHING REPORT

Skill Of Introducing a Lesson

P. K. M. College of education Madampam, Department of social science (2022-24 Batch) organized Micro teaching presentation. Core teaching skills divided among students and I chooses skill of introducing a lesson.

I presented on 15 th March 2023 in the topic 'Harappan civilization' from 8 th std. Main objective of my teaching is to introduce the Harappan civilization in front of students through a story. My class duration is 5 Minutes. I used the skill component of gaining attention through voice, eye contact, and communication. Students are very active and co-operative in classroom. After the class, there is a feedback session , Dr. Veena Appukkuttan managed the session and shared the feedback, after that all of my classmates shared their opinions. The session come to an end with an experience sharing by me. The first experience was good and the feedbacks are very useful for my improvement.

National Reading Day Celebration Report

The purpose of celebrating National Reading Day is to spread awareness to the people about the importance of reading & promote a culture of reading among people and encourage literary reflection on school children, youth.

On the occasion of June 19 National Reading Day, PKM College Social Science Department celebrated Reading Day from June 20th to June 23rd. On June 20/06/2023, Dr. Veena Appukuttan (Associate Professor Department of Social Science) delivered the welcome address of the reading week. Aparna Pradeep presented a review of the economic book 'Serious Money

-Walking Plutocratic London'. Then Vrinda M. O. review of the economics book 'introductory micro economics: c. B. Sachdeva' was presented. On June 22, sreethu presented a review of the history book 'Keralacharitam'. Then Adithya raj a review of the history book 'mannancheriyuday innalakai' was presented. On June 23, Amal tomy presented a review of the philosophy book 'Nicomachean Ethics'. This reading day was very effective in all student teachers. It was possible to learn about new books through this reading week. This reading week which started from 20th June to 23rd ended on a good note.

Remember, National Reading Day is not limited to a single day but can extend to an entire week or month of reading-focused celebrations. The key is to create an inclusive and engaging atmosphere that encourages individuals to discover the joy and benefits of reading.

Report of the activities 2018-19

Strategic planning 2018-19

Respond to challenges and changing needs through innovative practices, policies, and solutions to prepare for civic life.

Expand opportunities to share information, resources, and research that promote empirical best practices and high quality pedagogy in social science education.

Engage in innovative approaches and solutions to address challenges and changing needs in an informed, responsible manner.

Increase community awareness of how a well developed social science education prepares students to engage in the practices of citizenship.

Develop awareness towards social concerns and social issues.

Learning outcome

Understand the different kinds of instructional materials in Social Science.

Acquire the skill in collecting and preserving the resources in Social Science teaching.

Review recent developments in the field of social science education.

Preparation and review of social science research projects.

Following Activities are conducted to achieve the objectives and learning outcomes.

Seminar Presentation

Remya Ragavan and Jasmine Thomas presented paper in the national seminar cum workshop on Teaching Learning Platforms For Digital natives held on 27 th and 28 th September 2018 at St. Thomas College of Teacher Education, Pala, under the guidance of Dr.veena Appukuttan. The paper titled Recent Digital Initiatives In Educational Sector.

As part of Gandhi jayanthi 02/10/2018 Jasmine Thomas and Remya Ragavan from social science department participated in panel discussion on Gandhian Thoughts a Rereading.

Publications (29.10.2018)

Know your universe

As part of our pedagogical study we prepared a General Knowledge Awareness book related with social science text book named as *know your universe* and it published by Dr. Maya J pillai.

We will survive

As part of our social commitment and for future reference we published a collection of article related with Kerala flood and its effect on various sectors. It named as *we will survive* and it is published by Dr.Rekha.K.R our former principal.

Punarjani

As part of our creative work, we create a scrap book made with paper cuttings on reflection of flood impact named as *punarjani*. And it published by Dr Jessy N.C our present principal of the college.

Human Rights Day Observance

As a part of Human Rights Day observance social science department organized a two day seminar on Human Rights. Remya Raghavan, a post graduate in political science is the student convener of the seminar. On the first day on 10-12-2018 we conducted an opinion poll to test B Ed students awareness regarding The violation of fundamental rights. Many of them opined that they never had any violation of fundamental rights. On the next day analysis result was published. Remya Raghavan ,Renjini N V ,Risina T and other students of the department presented an awareness of fundamental rights on its all aspects and clarified doubts regarding violation of fundamental rights.

National Seminar Paper Presentations (Science day Celebration)

Four teams from our department presented their seminar paper in National seminar conducted in our college as a part of Science day celebration on 25.2.19.

- Remya Ragavan and Renjini.N.V- Science And Gender equity.
- Jasmine Thomas and Sujina.T,V-Science And Technology For Sustainable Development.
- Athira.P.K and Reji P George-Impact of Vaccination On Human Longevity and Health.
- Risina.T-Unusual Ancient Medical Techniques and Importance of Science For Health.

Women's day Celebration

On 8.3.19, Athira.P.K presented 9 eminent socially related female personalities as part of Women's day celebration.

Achievements at Our College:

- Remya Raghavan won the first prize in sports quiz conducted by the physical education department
- Remya Raghavan won the first prize in electrical literacy quiz competition and Athira p k won the second prize
- Reji p George won first prize in mathematics day photography competition

- Reji p George won the first prize in photography and extempore English in College arts day
- Reji p George won the first place in badminton single and javelin throw , second place in walking and third place in discuss throw at College annual sports meet
- Reji p George won the first prize in forest day caption writing and second prize in swanam audio speech competition
- Risina T won the second prize in poster making and water color and third place in collage making.
- Renjini n v won the first prize in 100 mtr and second in 200 mtr at College annual sports meet

Achievements outside the College:

- Remya Raghavan qualified UGC NET in political science
- Remya Raghavan and Athira p k participated in the quiz competition at kannur University kaloltsavam
- Remya Raghavan and Athira p k participated in the national electoral day quiz competition at kannur collectrate.
- Reji p George won the third prize in badminton single at University level
- Reji p George participated in photography competition and Risina T participated in water colour competition at kannur University kaloltsavam
- Renjini n v participated in 200 mtr and 400 mtr relay and Reji p George participated in javelin throw at kannur University athletic meet.
- Reji p George participated in table tennis championship at kannur University level
- Risina t won the third prize in collage making at peace forum state covention.

Project summary

Conducted Social Projects on relevant current issues .The project summaries are given below.

A study of Environmental Awareness for Environmental conservation in Secondary School Students

Jasmine Thomas

Jasmine Thomas
 PRINCIPAL
 P.K.M. COLLEGE OF EDUCATION
 KANNUR
 SREEANANTHAN P.O. - 570831

The study is an attempt to trace out the environment awareness for environmental conservation in secondary school students. In order to make stability to this present study it is decided to collect both primary and secondary data. The primary data was collected from secondary school students by using direct personal interview. A questionnaire is used as a tool for gathering required data. In present study the investigator selected 25 respondents from different schools. In order to analyze and interpret the questionnaire score the investigator adopts the statistical techniques like mean, charts and tables etc. The study reveals that majority of the students are aware about the environmental problems and they are bothered about environment conservation. At the same time students participation in environment conservation activities are limited.

A STUDY ON SAVING BEHAVIOURS OF GOVERNMENT EMPLOYEES IN KANNUR DISTRICT

SUJINA.T.V

This is a preliminary study of the saving pattern of the government employees. The study exclusively depends on primary data. For the purpose of collecting data 30 employees from different government departments both central and state governments, such as education, railways and banks are selected on a random basis. The sample consists 15 male and 15 female employees. The socio economic statuses of the employees are studied on the basis of their age, sex, marital status, place of residence, education and income and expenditure. To find out the financial saving behavior of employees' data on savings and the pattern of investment of saving by male and female employees are collected. Statistical tools like percentages, charts and tables are used for analysis of data. This study shows that, Gender differences in the saving behavior are only marginal. There are also not much differences in the socio economic conditions of men and women employees under study.

SOCIAL INTERACTION OF STUDENTS AT HIGHER EDUCATION LEVEL, THROUGH NEW SOCIAL MEDIAS

REMYA RAGHAVAN

This study is about the social interaction of the students of higher education level through new social Medias. This study is based on the quantitative methodology. The required data is collected from 20 samples which include 10 boys and 10 girls. This research analyzed the gender

SREEKANDAPURAM KANNUR DISTRICT

wise difference in the social interaction among the youth. This study also included the scope of new social Medias in social interaction.

INNOVATION AND VALUE ADDITION IN AYURVEDIC MEDICINES AND PHARMACEUTICALS: A CASE STUDY OF KANNUR

RENJINI NV

The study intended to identify the recent developments and innovations in Ayurvedic medicines along with extend of market diversification attained through its unique products and product specialization of manufactures in Kannur district. The study was carried out using data mainly from secondary and primary sources, secondary information was collected from the annual reports, publications and internet sites. This study mainly focuses on the Innovation that had emerged in Ayurveda since commercialization. Using detailed questionnaire encompassing all these queries personnel interview was conducted at the month of January. The data were collected from three prominent ayurvedhic industries in Kannur districtlike Sanjeevani, Pattiam, and Ashoka.

STRUCTURE AND COMPOSITION OF LOCAL GOVERNMENT REVENUE: A STUDY BASED ON NEW

ATHIRA P.K

Local bodies in Kerala have a set of exclusive revenue sources such as building tax, profession tax, and entertainment tax to finance their activities. The most important single source of own revenue for the majority of GPS in Kerala is property tax. This study focuses on to analyse the structure and composition of revenue sources of local self government of Kerala and analyse trends in property tax collection of selected panchayath in Kannur district. Three grama panchayath were selected for this study like Irikoor , chengalayi, and malapattam. Only secondary data has been used for the study. The collected data are classified and tabulated for analysis and interpretation of data for drawing conclusions by using pie chart, bur diagram and line graph. This study find out that tax mobilisation capacity of selected grama panchayath In kannur district have increasing tendency for the selected periods.

GROWING NUMBER OF OLD AGE HOMES AS A MATTER OF CONCERN

REJI P GEORGE

Population aging is one of the current problems faced by India today. Many older people are excluded from their families, societies, places etc. These people become part of old age homes. The present study conducted to know about the socio-economic background of old age homes. The study intended to identify the major reason for increasing number of inmates in old age homes. In order to make stability in this present study it is decided to collect both primary and secondary data. The primary data was collected from the office bearers of different old age homes. A questionnaire was used as a tool for gathering required data. In present study the investigator selected 3 old age homes from different parts of India. In order to analyse and interpret the questionnaire score the investigator adopts the statistical techniques.

FEAR OF MISSING OUT: ONLINE SOCIAL NETWORKING AND MOBILE PHONE ADDICTION AMONG YOUTH: A CASE STUDY OF PKM COLLEGE OF EDUCATION, MADAMPAM

RISINAT

Fear of missing out (FOMO) describes when a person feels increased anxiety or stress from missing out on social events or not having been invited to attend in the first place. The study was conducted based on using both primary and secondary data. This study proposed to examine the overall social media addiction of the sample. This study was mainly carried out by using primary data. Primary data used for the study consist of information collected through direct and indirect interview. 30 samples are collected randomly from the PKM College of education, Madampam and information is collected from them is based on a questionnaire. Though the study is mainly focus on primary data, it also analyzed certain secondary data used in the study include data collected through internet, various journals and article. Information collected is tabulated depicted with the help of diagrams, like pie diagram, bar diagrams etc. Fear of Missing Out known as colloquially as FOMO appears to be a common experience, and has recently become part of vernacular, receiving, receiving frequent mentions in the popular media. This paper provides a clear picture about the prevalence of FOMO among youth. The result showed that students experience FOMO frequently, particularly later in the day and later in
