ENTRY LEVEL DATA ANALYSIS OF STUDENTS OF BATCH 2022-24

INTRODUCTION

The entry level data analysis of the batch 2022-24 of P. K. M. College of Education, Madampam for various components like Subject Competence, Teacher Competence, ICT skill, Performance and artistic talents, Communication/Organization/Leadership skills were conducted through different assessment tools. The data obtained were analysed based on the grades obtained.

Subject competency and Teacher competence were analysed through tests conducted in six optional subjects. Survey method was used to recognize the ICT skills and competence of the student teachers. Performance & Artistic talents as well as Communication/ Organization/ Leadership skills were analysed and understood through communication and interaction during Self exposition, Talents Day and other programmes.

Grades were assigned as below

Grade A : 75-100

Grade B : 50-74

Grade C : Below 50

The insights obtained from the analysis measured the ASK (Attitude, Skill and Knowledge) of the student teachers and provided a basis for actionable recommendations to enhance teaching strategies and support students in specific areas of the curriculum.
