**CONSOLIDATED REPORT**

The Azadi Ka Amrit Mahotsav is a series of events organized by the Government of India to commemorate the 75th anniversary of India's independence. The Mahotsav is being celebrated as a Jan-Utsav in the spirit of Jan-Bhagidari. It aims to bring alive stories of amazing heroes whose sacrifices have made freedom a reality for us and revisit the milestones and freedom movements in India's journey to August 15, 1947.

As part of NCTE's effort to increase the outreach of the second phase of Azadi Ka Amrit Mahotsav and as per the directive of the Ministry of Education, all Teacher Education Institutions have been directed to conduct programs and events till August 2023. India's Unity in Diversity." The program was conducted under the guidance of Dr. Fr. Sinoj Joseph (Staff Coordinator, Azadi Ka Amrit Mahotsav) and student coordinators.

The program was presided over by College Principal Dr. Sister Jessy N. C. and Dr. Father Sinoj Joseph delivered the felicitation address. The workshop was conducted in two sessions and handled by Consultant Yoga & Counseling Psychologist and Professor at the M.G University Dr. Padmanabhan T. V. The workshop aimed to clarify the importance of yoga in healthcare among teachers and students, as healthy citizens are the country's wealth. In the first session, Dr. Padmanabhan interacted with the students about the principles of yoga, its importance, diet, and lifestyle. In the second session, he taught some basic techniques of yoga, and students actively participated in practicing them. The workshop was fruitful in dispelling many misconceptions regarding yoga and its effectiveness by scientifically explaining the details of yoga. Some basic techniques of yoga were taught by Padmanabhan Sir with a demonstration by second year teacher student Vysakh T. Students attentively listened to the various steps in Yoga and practised themselves. Although students had an exposure to yoga training classes before, this session was completely new and fruitful. Many misconceptions regarding yoga and its effectiveness were dispelled by the resource person by scientifically explaining the details of yoga. With the limited time, students got maximum awareness about some basic yogasanas and they were enthusiastic to make yoga as part of their daily routine. Even though practising yoga requires much effort and commitment, it is a worthwhile daily habit as lifestyle diseases and other types of illness are increasing. Yoga is not only a method of exercise, but also a philosophy of life. It focuses on the body mind connection and the integration of body, mind and soul into a single entity. The rich and varied experiences of the resource person was really helpful in making the session more enjoyable and fruitful.
