ICT Tools Used by Students

Landing page of the Gateway to the LMS used

Name of the ICT Tools: College LMS Portal

The screenshot displays the Gateway to the LMS interface. On the left is a dark sidebar with a navigation menu including: Home, My Profile, Attendance, LMS / Learning, Student Tools, Examination, My Tools, Fees Receipt, Feedback, PGD Information, Even Course Subjects, Online Registration, Feeable Fees, Application Progress, Reset Password, and Training & Placement. The main content area shows the course page for 'B.ED MATHEMATICS - I'. At the top, it indicates 'P.V.M. COLLEGE OF EDUCATION, MADHURAI'. Below this, there's a breadcrumb trail: 'Home / Learning / Home Assignment'. The course title is 'B.ED MATHEMATICS - I'. A 'BACK TO VIEW ASSIGNMENT' link is visible. A table lists assignments with columns: TITLE, CREATE DATE, LAST SUBMISSION DATE, FILES WITH ASSIGNMENT, MAX. MARKS, OBTAINED MARKS, IS CHECKED, SUBMISSION TYPE, REMARK, REPLY, and VIEW. One assignment is listed: 'Preparatory Test' with a create date of '15/02/2024', a last submission date of '16/02/2024 12:51 PM', and a status of 'UPLOADED'. The submission type is 'EXAM'. There are 'Reply' and 'View Reply' buttons for this entry. At the bottom of the table, it says 'Showing 1 of 1 entries'.

REPORT OF VALUE ADDED COURSE NEW MEDIA 2022-2024

The New Media course conducted from January 7, 2023, to February 3, 2024 at PKM College of Education, Madampam for the batch 2022-2024 has successfully engaged 21 students in an enriching learning experience. The course encompassed a diverse range of topics, providing comprehensive insights into the realm of new media. Students delved into practical aspects such as photography, mastering videography tools, honing videography editing skills using Adobe Premier Pro, and gaining essential knowledge in cybersecurity. The hands-on approach enabled participants to not only grasp theoretical concepts but also develop practical expertise in utilizing industry-standard tools.

The course's emphasis on New Media's multifaceted components, coupled with the inclusion of cybersecurity, reflects the contemporary nature of digital communication. As technology continues to evolve, the skills acquired in this course position the students well for the dynamic demands of the digital landscape. The active participation of 21 students underscores the relevance and popularity of such value-added courses, contributing to the holistic education and skill development of the participants in the ICT domain.

TECHNOLOGY AND PEDAGOGY: SOME CONTEMPORARY ISSUES

JUNE 23

PRINCIPAL
P.K.M. COLLEGE OF EDUCATION
KANNUR TAL. P. O., MADAMPAM
SREEKANGAPURAM, KANNUR DT., 670031

The Department of Language Education- English and IQAC of PKM College of Education, Madampam organised a National Webinar in association with the English Department of the University of Calicut via Google Meet on the 23rd of June 2020 at 11 AM. The Webinar that had an eminent resource person in Dr K M Sheriff, Head of the Department of English at the University of Calicut, was on the topic “Technology and Pedagogy: Some Contemporary Issues” owing to the increasing relevance that the pandemic has brought in its wake to the integration of technology in Education. The Webinar was conceived on this scale by Dr. Rekha K R, associate professor in English and IQAC coordinator at PKM College of Education, Madampam and materialised into fruition with the expertise and guidance of Dr K M Sheriff. Information about the seminar was shared widely through posters on various social media platforms such as WhatsApp, Facebook etc. and that translated into great interest from students, Research Scholars and faculty from various colleges and schools from across the nation. Google Forms were utilised for hassle free registration online.

The webinar started at 11 am as participants turned in through the Google Meet link made available through the WhatsApp group created for this purpose. GibyBabu, an alumnus of PKM hosted the webinar with grace and conviction. Dr Rekha K R welcomed all the dignitaries and participants to the webinar from the media room setup in the Net Resource Centre at PKM College. She expressed her gratification in the webinar being conducted with such enthusiasm. She thanked Dr Jessy N C, Principal, PKM College of Education and Dr Sheriff for being the pillars of support in organising this Webinar and articulated her conviction that the webinar will bear fruit and stay true to the topic at hand.

Dr Vijayan K, faculty at NCERT, Delhi inaugurated the webinar and he highlighted the role of education in a nation's journey on the course of sustainable development and equitable society. He spoke on the need to boost the technological infrastructure across the nation so as to ensure digital literacy of the entire populace. He pointed out that Digital India will only be a reality if all sections of society are brought on board and no one is left out.

Dr Jessy N C presided over the inaugural session and delivered a presidential address that served the purpose of putting into perspective the relevance of the webinar and delineating the pressing issue of technology-pedagogy integration. She conveyed her pleasure in hosting the webinar in association with the English Department of the University of Calicut.

PRINCIPAL
PKM COLLEGE OF EDUCATION
KATHAPPURAM P. O. MADAMPAM
SREEKADAPURAM, KANNUR DISTRICT-870031

Ms. Giby invited Dr Sheriff to deliver the keynote address and he enlightened the participants with his erudite lecture for an hour. Hedwelled upon the present-day issues of technological infrastructure constraints as learning moves increasingly online. He stressed the opportunities that opens up through the arena of digital learning and wished that the challenges thrown at us by Covid-19 can metamorphose into lucrative prospects if long due systemic reforms are implemented. He kept the session engaging with his natural wit and pertinent observations. He admitted that he is a novice in webinars but his elegance in engaging the participants suggested otherwise. The session lasted from 11.30 to 12.35 with adequate time for interaction. The participants posed their questions through the chat box in Google Meet and Dr Sheriff ensured that all questions were addressed. Questions ranging from the role of teachers in a progressively technological world that sees advancements in Artificial Intelligence exterminating many traditional jobs to the need for orienting parents and equipping them with digital skills popped up and were answered masterfully.

The student coordinator Jomal Jose proposed the Vote of Thanks wherein he gratefully remembered the contributions of Dr Sheriff, Dr Rekha and the staff of both PKM College and University of Calicut. Ms Giby announced the formal dispersal at around 12.40 pm.

Feedback forms were provided for the participants to record their valuable suggestions. Sr Christeena and other staff at PKM College and University of Calicut resourcefully coordinated the technical aspects.

EFFECTIVE ONLINE TEACHING IN THE COVID ERA WEBINAR REPORT 2020

A webinar on the topic "EFFECTIVE ONLINE TEACHING IN THE COVID ERA " was conducted on 15th July 2020 by Mathematics department of P.K.M College of Education, Kannur in association with Department of Mathematics Calicut university.

The world as we know it has changed in the blink of an eye. Schools closed overnight, students were liberated from schools and parents had to grapple with keeping children productive at home. Globally, over 1.2 billion children are out of the classroom. As a result, education has changed dramatically, with the distinctive rise of e-learning, whereby teaching is undertaken remotely and on digital platforms. The sudden lockdown can be a testing time for the students but due to the various exams being postponed what it offers is time. The isolation can be a gift for all students if they use it to their advantage by working towards their goal with utmost dedication. Online learning is a savior in these testing times and by choosing to learn from the most qualified teachers at the cheapest of prices students can make the most of the time that they have in their hand. There has been a huge surge in search phrases like "how to teach online", "best online teaching platforms", "online teaching tools", and "online teaching techniques". In this case, the only way for teachers to do so is to make the most of his potential online. Finding the right online teaching platform is just the first step. Learning how to use the various features correctly is important. But using a platform and its features to teach effectively and ensure that all students are indeed learning is paramount. So, the Mathematics department of P.K.M College of Education in association with Mathematics department of Calicut University took an initiative to conduct a webinar on the topic suitable for this current situation.

The webinar was started at 10 am on 15 July 2020 through Zoom with a prayer and 57 participants were participated. The program Staff coordinator Dr. Sholy Joseph K, Head of the Mathematics department, P.K.M College of Education welcomed everyone to the webinar. College principal Dr. Sr. Jessy N C presided over the webinar. The principal appreciated the organizers of this webinar for the discussion on a topic that was relevant to the time.

Thereafter Dr. Preethi Kuttipulackal, Associate professor and Head of the Mathematics Department, University of Calicut, inaugurated the webinar. In the inaugural address, she points out the importance of online teaching in the current pandemic situation. The teacher pointed out that online teaching is useful not only for children but also for all who see it. She said that we need to move forward by embracing the positive aspects of online teaching.

The class on the topic "EFFECTIVE ONLINE TEACHING IN THE COVID ERA " was handled by an eminent person Mr. Santhosh Kumar E V, Lecturer DIET Kannur. He dealt the class in two sessions. The first session covers the introduction and history of online classes. In second session he gave a clear understanding of pre production, production and post production of video class making. In this session he introduced online platform like Moodle, google meet etc. He explained the various steps required to build an effective online class in a very complete and clear manner. He said that teaching reach perfection only if the content knowledge, pedagogical knowledge and technological knowledge go together. And it is the duty of the

Name of the programme : LIBRE SOFTWARE TRAINING AND IT QUIZ

A Libre software training programme and an IT quiz was conducted by the members of Little Kites, Sacred Heart Higher Secondary school, Payyavoor, for the student teachers of P. K. M College of Teacher Education, Madampam, on 20th October 2022 at 2pm in the general auditorium. The programme began with a prayer by Ms Sreethu M(Dept. of social science). While Dr Sr Jessy N C (principal, P.K.M College of Education) presided over the function, Mr Libin K Kurian (Kite Master, Sacred Heart HSS) welcomed the gathering. The chief guest Dr K V Philomina (chairperson, Sreekandapuram Municipality) delivered the inaugural speech. Mr Biju Simon (principal, Sacred Heart HSS) gave a concise overview of the topic. In his address Dr Prashanth Mathew (Vice Principal, P.K.M College of Education) praised the Little Kites members for undertaking such programmes and wished for its success. The vote of thanks was delivered by Ms Anusha V (Student coordinator, P.K.M College).

The first session of the Libre Software Training Programme was handled by Master Alphin Salu (Student, Little Kites) where he introduced the software Scribus. Scribus is a free and open-source desktop publishing software available for most desktop operating systems. It is designed for layout, typesetting, and preparation of files for professional-quality image-setting equipment. Master James Shybu (Student, Little Kites) was in charge of the next session which dealt with the free software Open Office Impress. Impress is an open office tool to create presentations. It's very similar to Microsoft's PowerPoint. Impress can handle both Microsoft's PowerPoint format as well as its own open standard format called open document presentation format. The last session of the training programme was taken by Ms Liya Johnson (Student, Little Kites) which was about the software LibreOffice Writer. Writer is a word processor similar to Microsoft Word and Corel's WordPerfect with many similar features, and file format compatibility.

The IT Quiz session was led by Mr Abhinav Stephen and Varsha Pradeep (Both students, Little Kites). A total of fifteen questions were asked in the quiz session in which Mr Akhil C K (Dept. of Malayalam), Akshay G (Dept. of Mathematics) and Aleena James(Dept. of Malayalam) secured first, second and third positions. The programme came to an end at 4.45pm with the national anthem.
