**on 26<sup>th</sup> June 2020**

Nature is essential to our lives from the food on our plates to the clothes we wear, from medicines to mental health benefits. The UN declared theme for the World Environment day 2020 is Biodiversity Conservation. It is the need of the hour. Due to the COVID 19 pandemic situation we used online digital platform for conducting a

webinar in the same. Dept. of Natural Science, Bhoomithrasena, IQAC, PKM College of Education in association with SEEK (Society for Environmental Education in Kerala) has conducted a webinar on “Time for Nature” on 26<sup>th</sup> June 2020 at 11 am. The inaugural session was started at 11.30 am. A total of 50 people were participated in the session. The participants included B.Ed. students, teachers etc.

The welcome speech was delivered by Mrs. Jomol Jose, Asst. Professor in Natural Science, P.K.M. College of Education. The session was presided by Dr. Jessy N.C, Principal, PKM College of Education. Respected principal Dr. Jessy N.C. delivered the presidential address. Then the chief guest Dr. John C. Mathew, Environment Programme Manager, Directorate of Environment & Climate Change Govt. of Kerala inaugurated the webinar. He also appreciated PKM College of Education for the initiative. Later Environmental Officer Sreeja Raj

and Asst. Environmental officer Tom Augustine were explained about the different schemes offered for schools and colleges such as Paristhithikam, Workshops, Training programmes, Day observances etc. under Kerala Directorate of Environment and Climate Change. This was a wonderful experience for all.

After the inaugural address the technical session was started by our resource person Dr. Manoj K., HOD, Environmental Studies, Kannur University. He was delivered a wonderful and excellent theme presentation on the need of Biodiversity Conservation. Human beings use the nature for his life but he still mistreats the nature. Biodiversity is the foundation that supports all life on land and below water. He explained about different types of diversity such as genetic diversity, species diversity, Ecosystem diversity, mega diversity countries etc. Later he explained about the values of biodiversity such as food value, medicine value, fuel value, fiber, productive use value (timber value, fishery value, bio fertilizers etc.), ecosystem service value etc. Later he explained about the threats to biodiversity, different pollutions and the need for conservation of biodiversity. He said everyone should work together to protect the nature that support us all.

Student co coordinator Jain James anchored throughout the programme. Student co coordinator Bency Scaria was delivered vote of thanks for the function. The session was ended at 12.45 pm. Later a feedback form was given for all participants. The e- certificates were distributed later.

**Name of programme: BIODIVERSITY AWARENESS& EXTENSION PROGRAMME**

**Date:01-12-2022**

On Thursday, December 1 2022, P.K.M. College of Education Madampam conducted a one-day seminar under the sponsorship of the Kerala State Biodiversity Board. 'Building a Shared Future for All Time' served as the theme for the seminar. This is the first initiative in Kerala that the Kerala State Biodiversity Board has led and such a conference is desperately needed in this time where earth, plants, and animals are being destroyed. Ms.Sreethu, first-year student teacher begins the ceremony with a prayer song and was officiated by college vice-principal Dr.Prasanth Mathew. The welcome speech was delivered by Mrs.Jomol Jose, co-ordinator of the seminar. K V Govindan, a member of the Kerala State Biodiversity Board, opened the gathering and spoke. Aishwarya P V, co-ordinator of Bhoomithrasena club, gave a vote of gratitude at the conclusion of the meeting.

Around 11:30 a.m., the first technical session of the programme began. It was led by K V Govindan, a member of the Kerala State Biodiversity Board. The topic of the session was "Biodiversity and Life Security." An interactive session was held after the talk of the resource person, Ms.Jobina Jose proposed the vote of thanks and the programme came to an end by 1 pm.

The second session started at 2:00 P M. V C Balakrishnan, a former SEEK organisation secretary and environmental activist was the resource person. "Biodiversity Conservation at Local Level" was the topic. Ms. LinetTresa Mathew, a student teacher of natural science department, introduced the resource person. The programme ended at 4:00 p.m. with a vote of thanks by Mr. Akhil C K, a student teacher of Malayalam optional.

## BIODIVERSITY SURVEY REPORT

Bhoomithrasena Club and the Natural Science department of P. K. M. College of Education, Madampam collectively conducted a Biodiversity survey on 3<sup>rd</sup> December 2022. Students of the college were surveyed by grouping into three. All the groups were allotted to three different locations in Madampam. Each student was asked to collect at least 2-3 plants.

The first group of the survey contained 9 student teachers of the college from different optional subjects. The field of survey was the P. K. M. College-Madampam Road. The survey started at 9:45 am and every student was asked to collect at least two different plants. The group had a thorough observation of the area and collected about 30 plant materials including shrubs and herbs of different plant families. The collected materials were pressed on site and pictures regarding the whole procedure were taken. The survey ended at 11.30 pm.

The second group of survey contained 9 student teachers of the college from different optional subjects. The field of survey was the P. K. M. College-Madampam Road. Survey started at 9:45 different plant families. Further procedures were done after reaching college. The team reached college at 11.30 am. The group had a thorough observation of the area and collected about 30 plant materials including shrubs and herbs of different plant families.

The third group contained 8 student teachers of the college which was led by Hariprasad N and Aiswarya P V. The field of survey was Madampam – 56 road. Survey started at 10.00 am and each of the students' collected plants from the allotted area. The group moved along the road up to 2 km and collected almost 33 plants including Trees, shrubs and also herbs of

different families. The collected plant specimens were pressed on the site itself using newspaper. The team reached back college by 12.00 pm.

The pictures of plant collection were taken properly. Students tried to identify and study more about the plants using previous knowledge, technical help and also enquiring to expert teachers. The collected plants were kept in the classroom for further procedures. All the participants were enthusiastic during the whole survey which made the day both informative and memorable.

## FEEDBACK

The World Habitat day programme was a very successful one. The theme was Housing for all for a better urban life. 5 students were presented theme papers on relevant topics and this made a great impact among the student teachers. The paper presentations were highly informative and covered different significant areas in Habitat. Also the identify habitat competition helped to improve observation skills and research attitude among the B.Ed. students. Many students were enthusiastically participated in photography completion and which helped to improve natural consciousness.

## REPORT OF WORLD ENVIRONMENT DAY CELEBRATION 2021

PKM College of Education, Madampam organized World Environment Day celebration on 5<sup>th</sup> June 2021 at 03:00pm through the virtual platform Zoom. The World Environment day is observed for encouraging worldwide awareness and action to protect our environment. The theme for the year 2021 is Ecosystem Restoration.

The celebration commenced sharply at 3:00pm with the college prayer invoking the blessings of almighty. It was followed by the Welcome Address delivered by Mrs Jomol Jose, the Assistant Professor in Natural Science. The Presidential Address highlighting the theme Ecosystem Restoration and about the relevance of protecting our environment was addressed by Dr. Jessy N.C, the Principal of PKM College. The Inaugural address by Mr. Bittu John, Founder of 7to9 Green Store followed hereafter. He inspired the audience with his elegant speech by elaborating on his experiences and story behind his success in establishing the concept of Green Store. He also emphasized on the importance of ecosystem and about the harmful impact of plastics to the people as well as to the environment. An Interactive session with the chief guest was arranged. The session was very interesting and informative for both the students and faculty. The student teachers raised their queries and made the session lively. Faculties Mrs Jomol Jose, Dr. Sholy Joseph and Dr. Rekha KR also participated actively during the interaction period.

The next session witnessed the release of works prepared by student teachers. Ms. Anusree K C from the Department of Language Education- Malayalam gave a presentation on Environment E- Magazine titled Orava. Thereafter E- Magazine was released by Mr. Bittu John. This was followed by an introduction to the Collection of One line stories titled Abloom by Ms. Litty Sunder from the Department of Language Education- English. Our beloved Principal Dr. Jessy NC did the release of the Collection and appreciated the efforts of the students behind these works. Afterwards the most interesting part of the event was the Video Presentation based on the theme of Ecosystem Restoration named Pazhamayilekoru Thirinjunttam prepared by the students of the Department of Natural Science. School students were given an opportunity to work close with the nature and their happiness were depicted through the video. The event marked its conclusion with the Vote of Thanks delivered by Dr. Rekha KR.

- **WORLD WATER DAY OBSERVANCE**

World Water Day is celebrated every year on March 22 to make the world aware of the importance of water. So this year, Natural Science Optional took on the responsibility of raising awareness about the importance of water and the need to conserve it. Conducted a live quiz competition. To understand the relevance of current groundwater resources, Akshaya A V was delivered a talk on "Groundwater making the invisible visible". The event started at 9.30am. Harsha welcomed Akshaya for the awareness talk. Akshaya explained the significance of that day and the current water level as well as this year's theme. Then Athira T C performed a song which revealed the importance of water. Murugan Kattakada's poem '*Jaladhuorlahyam*' was sung. Jwala Maria Cyriac in maths optional won the first prize in the online quiz conducted in connection with Wetland Day. The Sanjiya Benny in the same optional won the second. Harsha congratulated and thanked everyone and ended the event.

# World Environment Day

World environment day is celebrated on 5<sup>th</sup> June every year, and is the United Nations principal vehicle for encouraging awareness and action for the protection of the environment. The environment that we live in is very important not only for our health but for our survival, so there is a huge need for us to protect it. We would not be able to survive if we not have clean air & water and land to live on. The theme for world environment day 2020 is "Time for Nature" with a focus on its role in providing the essential infrastructure that supports life on earth and human development.

On 5<sup>th</sup> June 2020 world environment day, P KM College of Education had conducted various activities to transact the theme "Time for Nature" among our students.

## 1. P K M –TREE CHALLENGE

Conducted a competition of planting saplings at home. many students were participated enthusiastically in the competition and sent their photographs of planting saplings at their homes. This program conveyed the message conservation of nature among the students.

## 2. ARTICLE COMPETITION

Conducted an article competition on the topic "role of environment in providing materials required for the sustainable development of different organisms and human beings" in an A4 sheet. This activity stressed and conveyed to the importance of our environment in providing sustainable development. Many students were participated and sent their small articles in different names such as nature and human being, karuthalode, Kaikorkkam Pachappinayi, thulanam, Prakrithi Padanam, Eniyum Ethranal, Jeevadayini etc. in these articles students were stressed the significance of our environment and it role in sustainable development, importance of ecosystem, existing environmental issues, need of conservation of environment, over exploitation of our resources etc.

initiatives, enthusiastic participants, and a sense of shared responsibility towards our planet.

K. K. Ravi delivering his insights

#### Insights by Mr. K. K. Ravi:

The day commenced with an enlightening address by Mr. K. K. Ravi, an esteemed environmentalist. His words resonated with the audience, emphasizing the need to nurture naturalistic intelligence among students. He passionately spoke about fostering scientific temper, sensitivity, and creativity, all while instilling a deep-rooted sense of individual responsibility to conserve our environment. His insights served as a catalyst, sparking inspiration among the attendees.

### Exhibition of Ideas:

An intriguing environmental exhibition stood as a testament to human innovation. Exhibits showcased global solutions and successful initiatives, offering a glimpse into the myriad ways individuals and communities are addressing environmental challenges. The exhibition served as an educational hub, igniting curiosity and sparking conversations about how small actions can lead to significant change.

### Interactive Dialogues:

Engaging sessions provided a platform for open discussions. Attendees eagerly shared their thoughts, ideas, and questions, fostering an atmosphere of collaboration and learning. Through these dialogues, practical, actionable strategies emerged, ensuring that the knowledge gained would find its way into our daily lives. Dr. Jessy N.C. and Mrs. Jomol Jose also shared their insights on the World Environment Day Observance.

**REPORT ON WORLD FORESTRY DAY AND WATER DAY**  
**2019**

P.K.M. College of Education is an aided training college under Kannur University, recognized by NCTE, UGC and accredited by NAAC at 'A' grade **both in first and second cycle (4 point scale)**

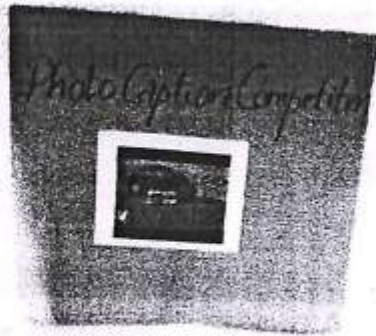

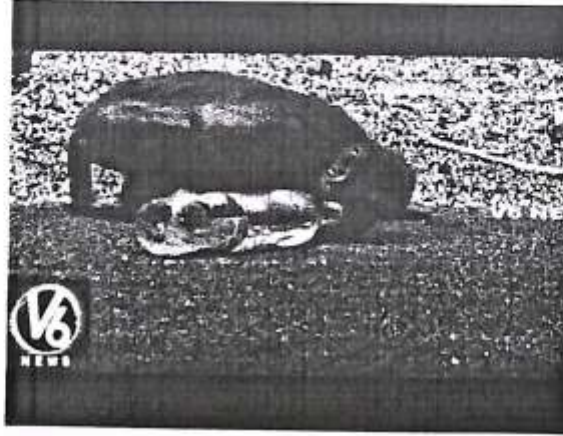

The International Forestry day was established on the 21<sup>st</sup> day of March, by resolution of the United Nations General Assembly on November 28, 2012. Each year various events were celebrated to raise awareness of the importance of all types of forests, trees outside forests etc. for the benefit of current and future generations. World water day is also observed in each year to promote water conservation and protection of water resources, environments etc. World Forestry Day and World Water Day were observed in PKM College of Education, Madampam by Bhoomithrasena club by the financial support of Kerala Directorate of Climate change and Environment. In 2019 the theme for World forestry day was "Forest and Education & the theme of World Water day was "Leaving no one behind" (water for all). As part of this we had conducted photo caption competition, Technical session, Reuse workshop and purchased books related to forestry, forest conservation, water conservation, Environmental science etc. and handed over them to college library to enhance the knowledge of students in this area.

**PHOTO CAPTION COMPETITION**

Bhoomithrasena club was organized a photo caption competition for B.Ed. Students on 12-03-19. A photo which shows the present status of water scarcity was displayed and a box was placed to collect the captions from students for the photo. We had given one day time for this competition. Students were actively participated in this competition and the first place was secured by Reji P. George of Social Science; second prize was secured by Athira Sagar from Mathematics and the third place was secured by Jahira K. of Natural Science.
