class ended at 3.30 pm. Then comes the feedback session. Akhila James from Mathematical optional and Athira T C from Natural Science optional talks about the class. The overall feedback has been very positive. Then the student coordinator Haritha from Mathematical optional gave vote of thanks. The first day's programmes ended at 4.00 pm.

Azadi Ka Amrit Mahotsav E Poster Making (Date: 28-01-2023)

Libre Software Training and IT Quiz (Date: 20-10-2022)

The poster features a dark blue background with white and yellow text. At the top left is the Java logo, and at the top right is the Tux penguin logo. The main title is in Malayalam script. Below it, a black banner contains the text 'നയിക്കുന്നത് : ലിറ്റിൽ കൈറ്റ്സ് അംഗങ്ങൾ' (Organized by: Little Kites members). A white banner below that states the date and time: '2022 ഒക്ടോബർ 20 വ്യാഴാഴ്ച ഉച്ചയ്ക്ക് 02:30 ന്' (Thursday, October 20, 2022, at 02:30 PM) and the location: 'പി കെ എം കോളജ് ഓഫ് എഡ്യൂക്കേഷൻ, മടമ്പം' (P.K.M. College of Education, Madampam). The speaker's name 'ഡോ. കെ. വി. ഫിലോമിന' (Dr. K. V. Philomena) is listed with her title '(ചെയർപേഴ്സൺ, ശ്രീകണ്ഠപുരം മുനിസിപ്പാലിറ്റി)' (Chairperson, Srikanthapuram Municipality). A circular portrait of Dr. Philomena is on the right. Logos for Java, GIMP, and the school are also present.

Laptop for All - 2021

In solidarity with "Let us Go Digital" initiative of the Kerala State Higher Educational Council, "Laptop for All - 2021" is an ongoing project of PKM initiated in the current year gaining support of benefactors from abroad who sponsored six laptops and the 2019-2021 batch who sponsored a smart phone.

Let us go Digital

"Let us go Digital" is a campaign of the Higher Education Department on devastating COVID-19 pandemic to recast the way academic transaction and evaluation of students and teachers of Higher Education Institutions in the state can be carried out through setting up of digital platforms. The mission is targeted to be accomplished by *setting up of LMS platform, training for teachers and students and the assurance of the digital devices and internet connectivity for students* by creating a pool of digital devices that can be borrowed by the needy students.

Questions Responses 11 Settings

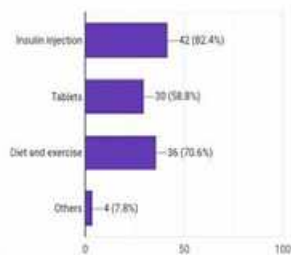

11. List out some foods that could increase blood glucose levels in patients

11 responses

Food containing carbohydrates, sugar, red meat
Rice, sweets, ice cream
Rice, bread, fruits, vegetables
Rice, (apical, sugary foods)
Glucose, fruits
Fruits
Chocolate
Rice
Sugar

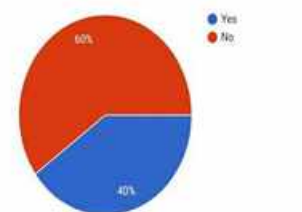

4. What treatments are you aware of that are available for diabetes currently?

51 responses

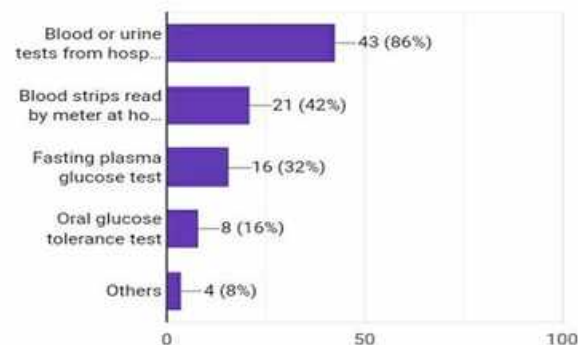

19. Have you heard of consuming whole plant or plant part extract for curing diabetes?

45 responses

10. What all methods do you know for testing diabetes?

50 responses

Untitled form

Questions Responses 51 Settings

22. What is your opinion about eating as much as sugar and sweets when young and healthy?

45 responses

We should follow a balanced diet despite of the age we are in

Partially It is Good. Sugar is Converting into carbohydrates. Having too much sugar in the blood for long periods of time can cause serious health problems if it's not treated.

If you are health conscious control your food habits and if you want to enjoy the moment eat anything you want.

Laptop for All - 2021

In solidarity with "Let us Go Digital" initiative of the Kerala State Higher Educational Council, "Laptop for All - 2021" is an ongoing project of PKM initiated in the current year gaining support of benefactors from abroad who sponsored six laptops and the 2019-2021 batch who sponsored a smart phone.

Let us go Digital

"Let us go Digital" is a campaign of the Higher Education Department on devastating COVID-19 pandemic to recast the way academic transaction and evaluation of students and teachers of Higher Education Institutions in the state can be carried out through setting up of digital platforms. The mission is targeted to be accomplished by *setting up of LMS platform, training for teachers and students and the assurance of the digital devices and internet connectivity for students* by creating a pool of digital devices that can be borrowed by the needy students.

ZUMBA FITNESS SESSION

MR. SURESH K.
ASSISTANT PROFESSOR,
SCHOOL OF PHYSICAL EDUCATION
AND SPORTS SCIENCE

ORGANIZED BY DEPT. OF PHYSICAL EDUCATION

Name of the programme : POST COVID ONE DAY PHYSICAL FITNESS

TRAINING PROGRAMME

Date: 15/07/2022

PKM College of Education, Madampam and Health, fitness and sports club organized a post COVID physical fitness training programme on 15/07/2022 Friday. The morning section started with the warm up section by physical science student Vaishakh K at sharp 9:30. Students are ready for the Zoomba section after the warm up exercise. The resource person Mr. Sreejith K was arrived at 10:00 clock and the inaugural section begins. It started with the prayer song of the social science student Anusree KP. Jomal Joy, social science student gave the inaugural address. Physical education professor Fr. Dr. Sinoj Joseph goes through the presidential address and hands over the stage to our resource person. Sreejith sir started with a small awareness section about the importance and merits of exercise, mainly walking. Then he started the interesting Zoomba section. The entire student teachers danced in a very happy mood and each section went very well. All students danced energetically throughout the section. The interesting thing about this programme is not only students but some teachers also participated in the Zoomba. At 11:20 the group had a break and after that the students formed a circle and the dance continued. Then the Zoomba section ended up with the melodious song 'Pavizha Mazha Yee' and the group prepared their body to an end. After that the vote of thanks section started and the principal Dr. Sr. Jessie NC who couldn't attend the morning section had a talk. And after that Jessie Miss handed over the certificates to Sreejith sir and to the programme coordinators, Jomal Joy and Anumol AN. And the programme ended up with the thankful speech of Anumol.

BUILDING PEACEFUL AND JUST SOCIETY :
Role of Democracy, Social Justice and Religious Harmony

November 25, 2022
Friday

PEACE BUILDERS
Kerala State Government

ABOUT THE SEMINAR

Building a peaceful and democratic nation involves a purposeful building of human personality, human intellect, human thought, behaviour and action as an individual as well as a collective. When considering the present scenario, we can see increasing violence, injustice and social problems. Human rights are being violated and need to be resolved at the earliest possible.

Appropriate education is the best mechanism to deal with all these challenges. One possible way to improve the educational outcome is preparing teachers for a peaceful and just society. PKM College of Education is an education institution which has already taken some initiatives for peace and social building, involving the importance of building a peaceful and just society that ensures social justice and therefore, taking an initiative to organise a One Day National Seminar on Building Peaceful and Just Society: Role of Democracy, Social Justice and Religious Harmony.

SUB THEMES

1. Building a Peaceful and Just Society: Role of Democracy
2. Building a Peaceful and Just Society: Social Justice as a key aspect
3. Building a Peaceful and Just Society: Religious and Social Harmony
4. Building a Peaceful and Just Society: Challenges in the New Normal

INSTITUTE OF PARLIAMENTARY AFFAIRS
GOVT. OF KERALA

The Institute of Parliamentary Affairs (IPAA) is an institution established by the Government of Kerala in 2003 under the Travancore - Cochin University, Scientific and Charitable Societies Registration Act, 1956. The Institute was formally inaugurated on 22nd July 2004.

The basic idea behind the establishment of IPAA is to strengthen parliamentary democracy in the country, and foster a sense of comradeship and spirit of democratic citizenship among its people. In short to make democracy the organising principle of the social and political life of the people of India, particularly that of Kerala.

SCIENCE AND TECHNOLOGY FOR SUSTAINABLE FUTURE

In this era, especially during a time when resources are progressively running out, people all over the world, especially the scientific community, are thinking about how science and technology can be used to create a sustainable future. As part of this, different organisations all over the world have taken several steps to promote sustainable development. A sustainable step was taken by UNODC when they have presented 17 Sustainable Development Goals.

In the context of United Nations Sustainable Development Goals (SDGs), P.K.M. College of Education, under a Mega Project titled First Generation Teacher Education at PKM, which aims at facilitating development of the student teachers for which awards will be awarded through their two-year B.Ed. programme and focus on becoming teachers who are peace builders, environmental protectors, health promoters, human rights propagators, equity upholders, digital experts and research enthusiasts. The two-day National Seminar on 'Science and Technology for Sustainable Future' goes hand in hand with the Mega Project 'First Generation Teacher Education at PKM'.

Science plays an important role in making life safer and providing solutions for our queries. The seminar throws light on the role of science and technology for a sustainable future.

OBJECTIVES OF THE SEMINAR

- The seminar aims to enable the participants to understand and apply science to achieve sustainable development and to build a sustainable future.
- To equip the techno-pedagogy skills and build capacity of teaching literature with essential professional skills.
