AWARENESS PROGRAMME ON INSTITUTIONAL GRIEVANCE REDRESSAL MECHANISM

2022 – 2023

An awareness program on grievance redressal was conducted as a continuation of student induction programme with the objective of informing students about the existing mechanisms for addressing grievances and promoting a supportive environment conducive to learning and growth.

Objectives:

To educate students about the importance of grievance redressal in ensuring a conducive academic environment.

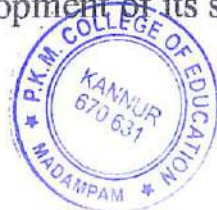

To familiarize students with the grievance redressal procedures and channels available at PKM College of Education.

To encourage students to actively participate in the grievance redressal process and seek resolution for their concerns.

The program commenced with a welcome address by the faculty in charge, emphasizing the significance of grievance redressal in fostering a culture of transparency and accountability.

A presentation was delivered to provide students with an overview of the grievance redressal mechanisms available at College, including the grievance cell, faculty members, and administrative staff. An interactive session was held to address any queries or concerns raised by the students regarding the grievance redressal process.

The grievance redressal awareness program was successful in increasing students' understanding of the grievance redressal process and empowering them to seek resolution for any issues they may face. By fostering open communication and collaboration, the college aims to create a supportive environment conducive to the holistic development of its students.
