POLICY

Area: Research

Title: Research Policy (Revised)

Policy No: POL022/RES/PKM/2019

Policy Owner: Principal

POLICY STATEMENT

At P.K.M. College of Education, research is regarded as a vital tool for staying abreast of the latest knowledge and advancements in the field of teacher education. This revised policy underscores our steadfast commitment to nurturing a culture of educational research and establishing our institution as a leading research hub in this domain.

OBJECTIVES

- ❖ Empower all teaching faculty to attain doctoral degree.
- ❖ Promote Research culture among the students and faculties.
- ❖ Promote collaboration and knowledge-sharing among researchers both within the organization and with external partners.
- ❖ Foster a research climate that is inclusive, varied and values a wide range of perspectives and promotes equity and fairness.
- ❖ Monitor and evaluate the effectiveness of research activities to inform continuous improvement efforts.

ROLES AND RESPONSIBILITIES

- ❖ This policy is monitored by the Research, Consultancy and Extension Committee headed by the Principal.
- ❖ Faculty members can undertake funded and nonfunded research programmes at International and National Levels.
- ❖ It is the duty of the Research cell to ensure that any paper presented by the students or faculties is provided with proper guidance.
- ❖ Encourage teachers to become research guides in the university.

POLICIES ADOPTED

The existing policy is revised and have added the following new guidelines in accordance with the same.

- ❖ Classroom Based Research Projects should be initiated in different dimensions of teaching-learning, such as innovations, remediations, enrichment, and resource material production, to assure quality in educational endeavours.
- ❖ The college should also stress students' participation in national-level conferences with the assistance of faculty members.
- ❖ Apart from hosting national seminars, the college should also serve as a quality assurance body for other colleges by assisting them in organizing similar events.
- ❖ Student exchange programs could be arranged in collaboration with the research cell.
- ❖ It should be ensured that all papers presented by students and faculty go through the Research Cell.

ACHIEVABLE GOALS

- ❖ Increased Research culture and Productivity
- ❖ Knowledge and Innovations.
- ❖ Improved Teacher Quality and Student Quality.
- ❖ Career development
- ❖ Contributing to the society by addressing social challenges and by making a positive impact on the society.
- ❖ Enhance institution's Reputation
- ❖ Educational opportunities
