## STUDENT FEEDBACK – 2019-20

### ACTION TAKEN REPORT

- Encourage and strengthen collaborative efforts in curriculum planning, possibly by involving students more actively in the process.
- Assess areas where students feel choices are lacking and explore possibilities for enhancing the variety of courses and electives.
- Expand and promote the availability of value-added courses that align with students' professional development needs.
- Identify specific areas mentioned in the feedback for improvement and work on enhancing those aspects.
- Continue incorporating activities that expose students to diverse educational environments.
- Review and update curriculum components to ensure continued relevance to current professional standards and expectations.
- Address concerns raised by the minority of students dissatisfied and consider refining learning objectives for clarity.
- Explore areas of improvement based on the 6% disagreement and gather specific feedback to enhance relevance further.
- Continue monitoring and incorporating feedback to maintain and enhance overall satisfaction levels.
