

YIP – YOUNG INNOVATORS PROGRAMME

REPORT- 2023-2024

In the academic year 2023-2024 in the month of February selected 5 students for YIP or Young Innovators Programme. They are Anjana Jayaraj, Isabel Sunny, Sneha M., Nijil Sans and Pooja O (first year students). They were registered in the portal through Google links and email. After completing ideator registration they created the group for idea submission. On 25th February 2024 submitted the idea “English Language Learning Hub”. This idea is to build an English language learning community with two teachers. This idea is to promote or give coaching in improving or developing proficiency in English language. This is planned to do in a commercial angle. Both online and offline coaching will be given by this academy. This programme is a good initiative by KDISC for upcoming youth entrepreneurs in different fields.
