

## Editorial

The month of August also went ahead with planning. It was a month of new experience for the novice. For the senior student teachers, it was the period of their practice teaching, the core element of B.Ed course. Orientation programmes were conducted for both the beginners and the seniors, regarding their curriculum and on the internship programme, which would be conducted in different schools. The most important among them was the "LAP TOP FOR ALL" which was most wanted facility in today's class room. No month is stay away from the touch of Physical Education Department. Just have a glance and feel the touch of PKM Family

### AZADI KA AMRITMAHOTSAV VEBINAR ON INCLUSIVE CLASSROOM

PKM College of Education celebrated the Azadi ka Amrit Mahotsav meaningfully. On 03/08/2023, Thursday morning at 9.30 am a webinar conducted on Inclusive Education. Assistant Professor in Natural Science, Jomol Jose was the resource person. In that webinar she talks about Inclusive classroom. After the official welcome address made by a Azadi ka Amrit committee student representative Linet Tressa and with an introduction the class was carried on by Jomol Jose. Certainly! An inclusive classroom is a pedagogical approach that prioritizes the needs of all students, recognizing that each individual brings unique abilities, experiences, and challenges to the learning environment. The goal is to create a supportive and accepting space where diversity is celebrated, and all students can participate, learn, and thrive together. Key elements of an inclusive classroom include: Differentiated Instruction: Teachers use various teaching methods, materials, and assessments to cater to the diverse learning styles and abilities of their students. Altogether this programme was highly beneficial for all the students. Under the guidance of Azadi ka Amrit Staff coordinator and the initiation and leadership of Azadi ka Amrit committee members this programme was a great success. All the student teachers participated in the programme enthusiastically. And the programme was ended with a vote of thanks delivered by Azadi ka Amrit committee student coordinator Adhithya Raj.

### Induction Programme for first year B.Ed. students 2023-25

Topic: Next Generation Teacher in the context of Artificial Intelligence.

An 'Orientation Programme' was organized to welcome the first-year students who were admitted to the B.Ed. program at 9:30 am. The Induction programme was brought in with a view to uplift the level of the entrants to an elevated stage, promote all-round development and exposing learner's stigmas to minimize and to maximize their learning. Learners come with diverse thoughts, backgrounds and perceptions. Hence it becomes important to help them adjust to the new environment and inculcate the ethos of the institution with a sense of larger purpose. That is where the lacuna lies which demands a program dynamic enough to address the issue. Our College has organised a two-week induction programme with an objective to provide ample of time and a platform for the transition of students from college to teacher training. An Induction programme is a harbinger of various in-campus and off-campus activities specially designed for entrants to fill the gap. The four-day Induction programme was organised by IQAC and Alumni Association of P.K.M. College of Education.

#### INAUGURAL FUNCTION

The four-day Induction program with the theme of "Next generation teachers in the context of Artificial Intelligence" began with a prayer. The welcome address was given by Dr. Veena Appukkuttan, co-ordinator of IQAC. Followed by this, the presidential address was given by Mrs. Jomol Jose, program co-ordinator and elevated the students with her kind words. After this, the Principal, Dr. Jessy N.C inaugurated the session at 10am and shared her perspectives on the theme of AI.

After that, the resource person of the day, Dr. Prasanth Mathew shared his thoughts on the theme of the programme. The session began at 10:30am till 2.30pm and focused on AI developments and their impact on the world. It included various activities and videos that explored people's thoughts on AI's role in the world. The session also addressed the future of the education system and the concept of next generation classrooms, as well as the impact of AI on the social system. The session concluded with a brainstorming activity, allowing students to contribute fictional and realistic ideas about the future of the world dominated by AI.

### ONAM CELEBRATION

#### "Dhe Maveli Pinnem"

P. K. M College of Education, Madampam welcomed Onam with the beautiful floral carpet, Onam programs, and sweet payasam irrespective of any caste or religious restraints. The Onam celebration "Dhe Maveli Pinnem" was held on 24-08-23. At 10 am, with prayer, the inaugural program started with the presidential address given by Dr. Jessy N. C., Principal started with a beautiful Onam song and a message which reminded everyone that Onam should be celebrated proudly with religious harmony. Program coordinator Mrs. Jomol Jose welcomed honorable guests and students with floral bouquets. Chief guest Br. Dr. Reji Scaria, principal of MaryGiri English Medium School inaugurated the Onam celebration program after sharing some of his childhood memories about Onam. Fr. Philip Ramachanath, local manager, P.K.M College of Education, Madampam felicitated everyone and the inaugural function ended with a vote of thanks delivered by the student coordinator, Mr. Aswin Baburaj.

After the inaugural function, students added color to the celebration with their beautiful Onam song and Thiruvathira. All the programs were a treat to the audience. After the completion of games and joyful victories which proved the importance of self-confidence and team spirit along with coordination, principal Dr. Jessy N. C congratulated the winners and thanked everyone who took part in the celebrations and the Onam celebration 2023, "Dhe Maveli Pinnem" ended by 4.30 PM.

### FACILITY VISIT

Conducted a facility visit on 18-08-2023 at 1.30 PM for the new batch 2023-2025. Whole batch is divided into two groups and one group lead by Joshy Mathew and Sheeba Simon. Second group was lead by Rajesh K.J. and Sheeba P.M. In facility visit the new students were got familiar with different facilities in the college such as auditorium, seminar hall, technology lab, psychology lab etc. So the facility visit given a clear idea about the facilities and infrastructure of the college. This was ended at 2.15 pm.
